In order that we might grasp more fully the part that the Mass plays in our daily lives it has been the earnest desire of the Seniors to promote attendance at daily Mass. FOREWORD

For many centuries, the ringing of the early morning church bell has ushered in a new day in the lives of Catholics all over the world. Before the hustle and bustle of every day activity, rich and poor, young and old, saints and sinners, have crossed welcoming thresholds into the peaceful atmosphere of their parish church. The purpose? To participate in the greatest sacrifice ever offered — the Mass.

In order that we might grasp more fully the part that the Mass plays in our daily lives it has been the earnest desire of the Seniors to promote attendance at daily Mass. It is our firm conviction that from the Holy Sacrifice we gain the strength which will enable us to live, to play, and to learn as God wills.

DEDICATION

The parish priest is a source of influence upon good Christian living. Through his unselfish efforts, we have an opportunity to share in the fruits of his labors and privileges. Through him, for instance, we are made co-offerers with Christ at the Holy Sacrifice of the Mass.

It is only because of the priest's privileges such as the offering of Holy Mass, that we have an opportunity to gain the strength to live, to play, and to learn as God wills. Therefore, we, the class of nineteen hundred and fifty-one, realizing this, dedicate our Spires to the Bishop and the parish priests in recognition of our heartfelt appreciation.

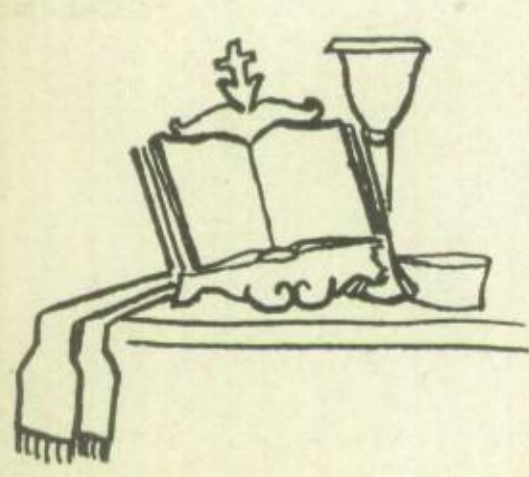

Dear Pat,

“I will go unto the altar of God.”

We Gain Strength . . .

In the name of the Father, and the Son, and of the Holy Ghost . . . The Mass begins. We come daily to pray to God. He has a treasury of graces and we desire them. How similar is school life at Catholic Central. Books have the knowledge; the faculty, an interpretation; and life, the means for application. The students come daily to acquire this. What a strong bond of unity is formed with God, if we connect the wisdom of the Mass with the knowledge of His World.

The Administration

Throughout the school year, students shift back and forth through the rooms and halls of Catholic Central. Classes are planned; students classified; books distributed; debts paid; and conveniences provided — all through the smoothness of past years experience of four hard-working priests. The very capable administration responsible for our well-organized school program is headed by Monsignor William J. Murphy with the able assistance of Father Yager, Father LaPres, and Father Murphy. These four priests offer the Holy Sacrifice of the Mass daily for the needed strength of grace to carry out their duties as God wills.

1870 - 1951

This is a tribute not only to a great man, but to a Catholic way of life. Mr. Jack Young, our coach and teacher, died September 16, 1950. He was a daily communicant, and his life reflected this. Members of the Varsity Club acted as pallbearers at his funeral Mass on September 19, 1950, in St. Francis Church.

Catholic Central will miss its coach but it will always have as a reminder the fine principles which were embodied in his life.

I Cor. 12:31

Religion

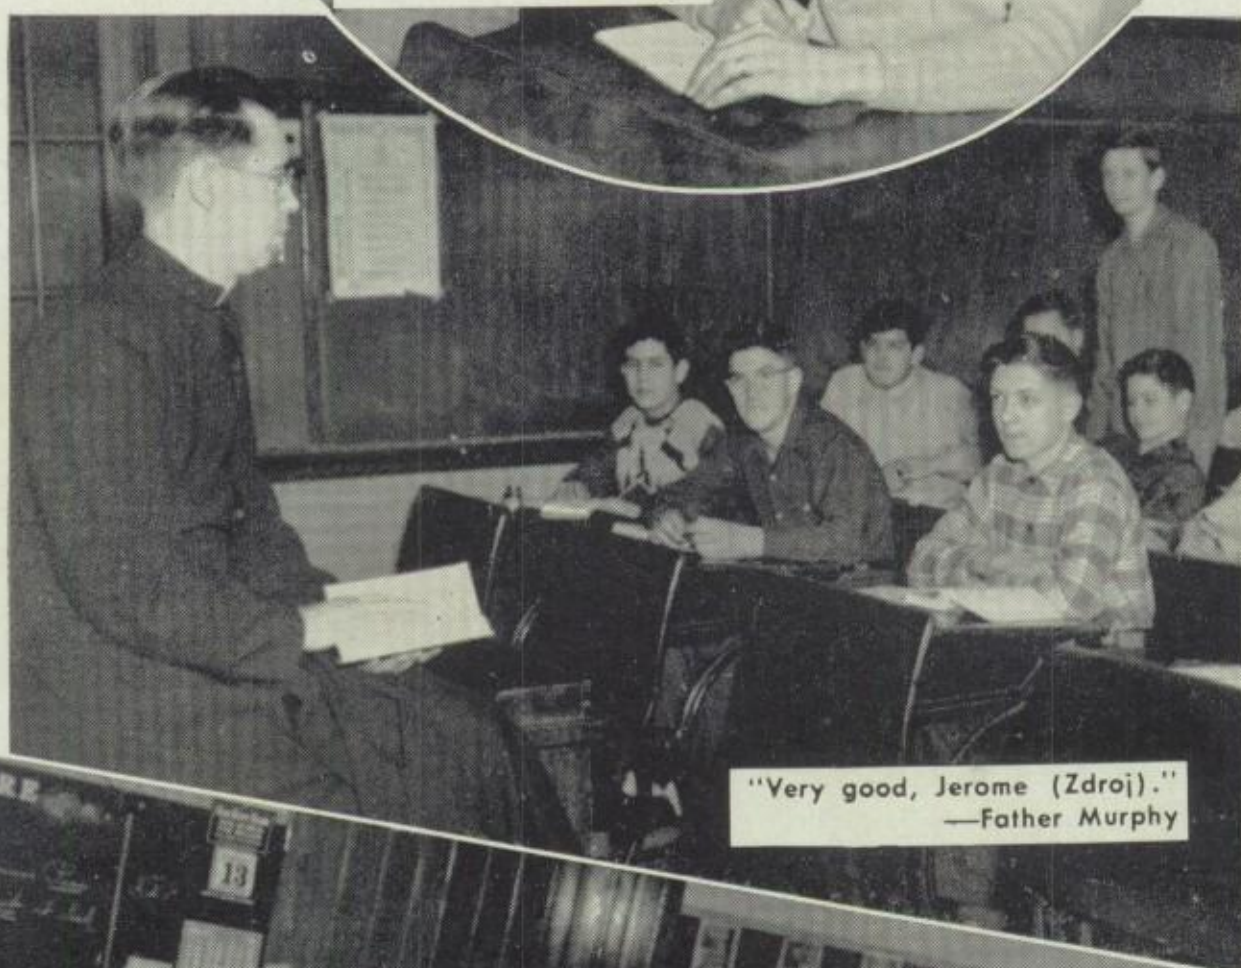

Through the study of religion at Catholic Central we are taught the responsibilities to God, our neighbors, and ourselves.

Under our three instructors — Father Yager, Father LaPres, and Father Murphy, we are taught to understand and appreciate more the doctrines of Catholicism. Each of the four years of high school brings a new phase of our religion under our inspection. As Freshmen, we learn our duties as children of God. In the tenth grade, we come to know more intimately Christ and His relationship to the Mass. We examine the commandments, precepts, and doctrines of the Church as Juniors. The study of Apologetics is tackled by Seniors followed by a course preparing us for Catholic married life.

Together with the complete knowledge afforded us of our religion and the grace we receive from the Mass we are fitted to live as good Catholics worthy of the honor our religion confers on us.

Senior boys are engrossed in Apologetics.

English and Languages

Because of the importance of good English usage in our everyday life, we are required to take a four year course in English. As freshmen we are introduced to high school English and Literature. We put special stress on prose and poetry in the tenth grade. American Literature along with grammar is taken as Juniors. In our Senior year we again study Grammar but English authors and their works are also studied.

In addition to English various foreign languages are taught at Catholic Central. These include a four year Latin course, two years of Spanish or two years of French.

Mathematics

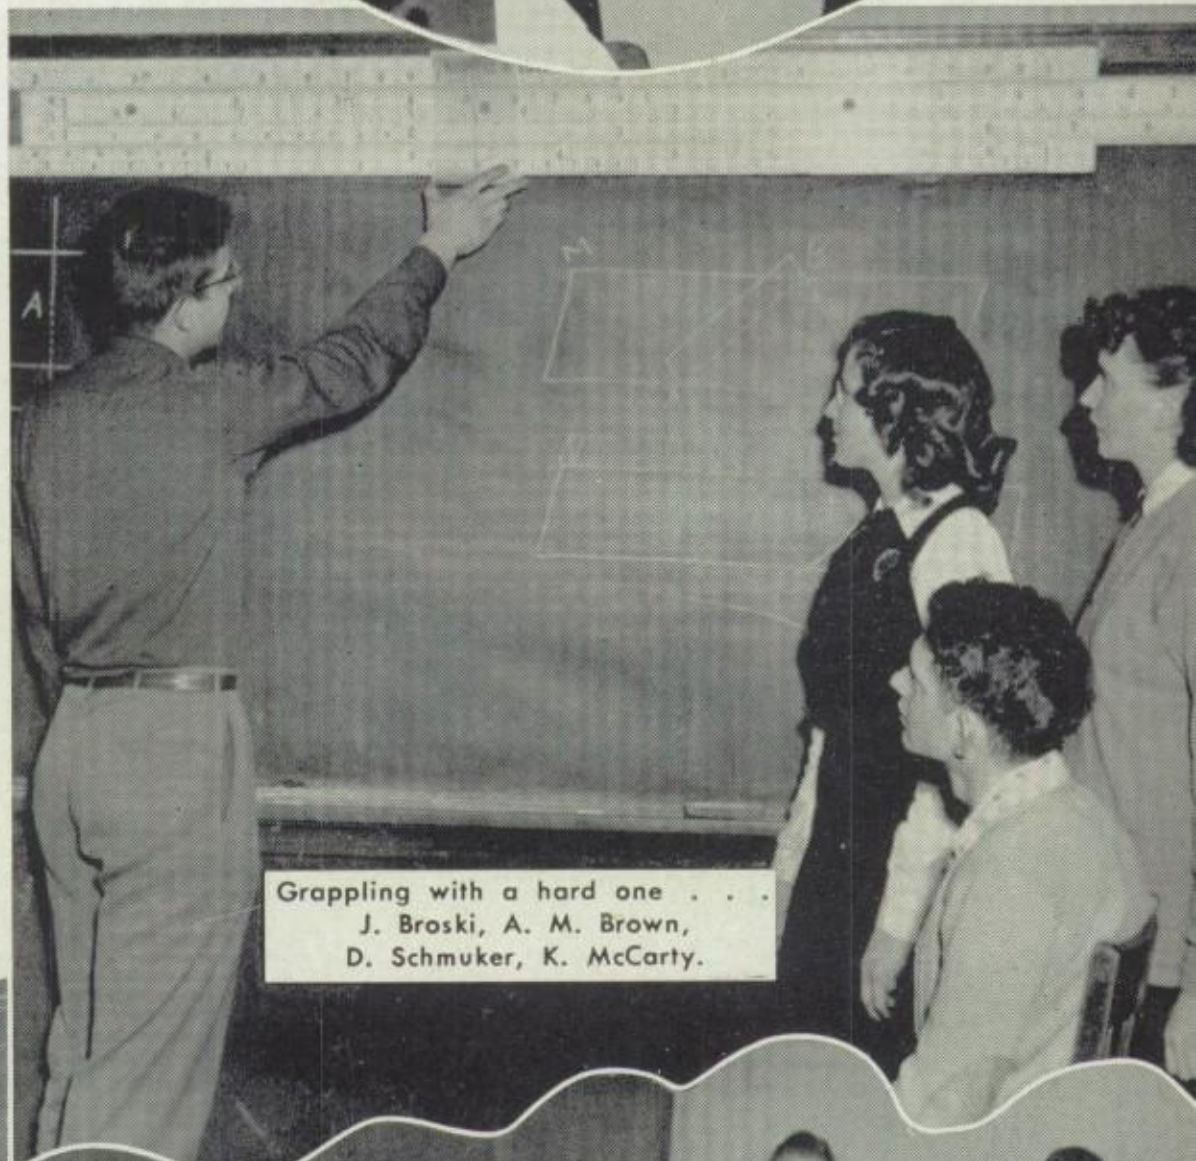

We, at Catholic Central, are taught to develop our reasoning powers through the study of mathematics. As Algebra students in the ninth grade we begin our study of theories, formulae, and long problems. In the following year through Geometry we learn to use, appreciate, and follow the reasoning of others while developing our own reasoning powers.

In the study of higher Algebra, Solid Geometry, and Trigonometry we are taught the use of logarithms, the slide rule, and the laws of solid objects.

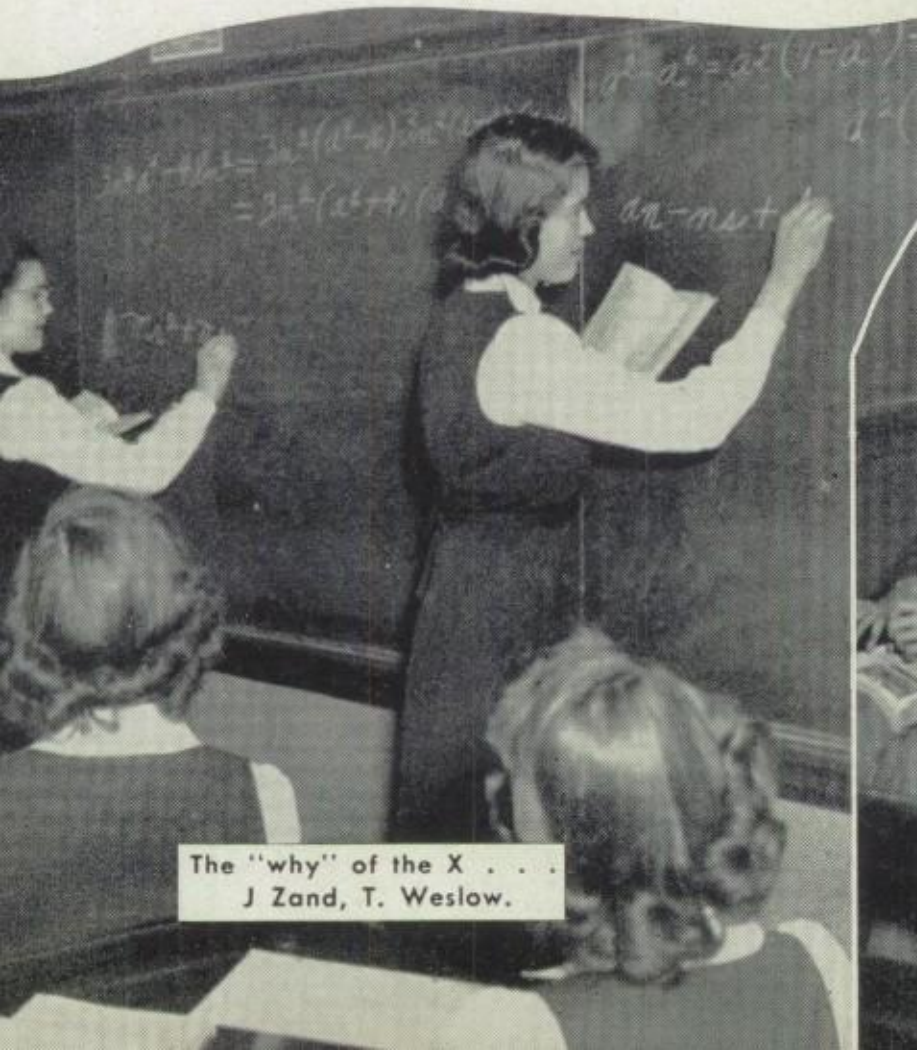

These subjects combined with other courses help to prepare us for a world where logical thinking is greatly needed.

Social Science

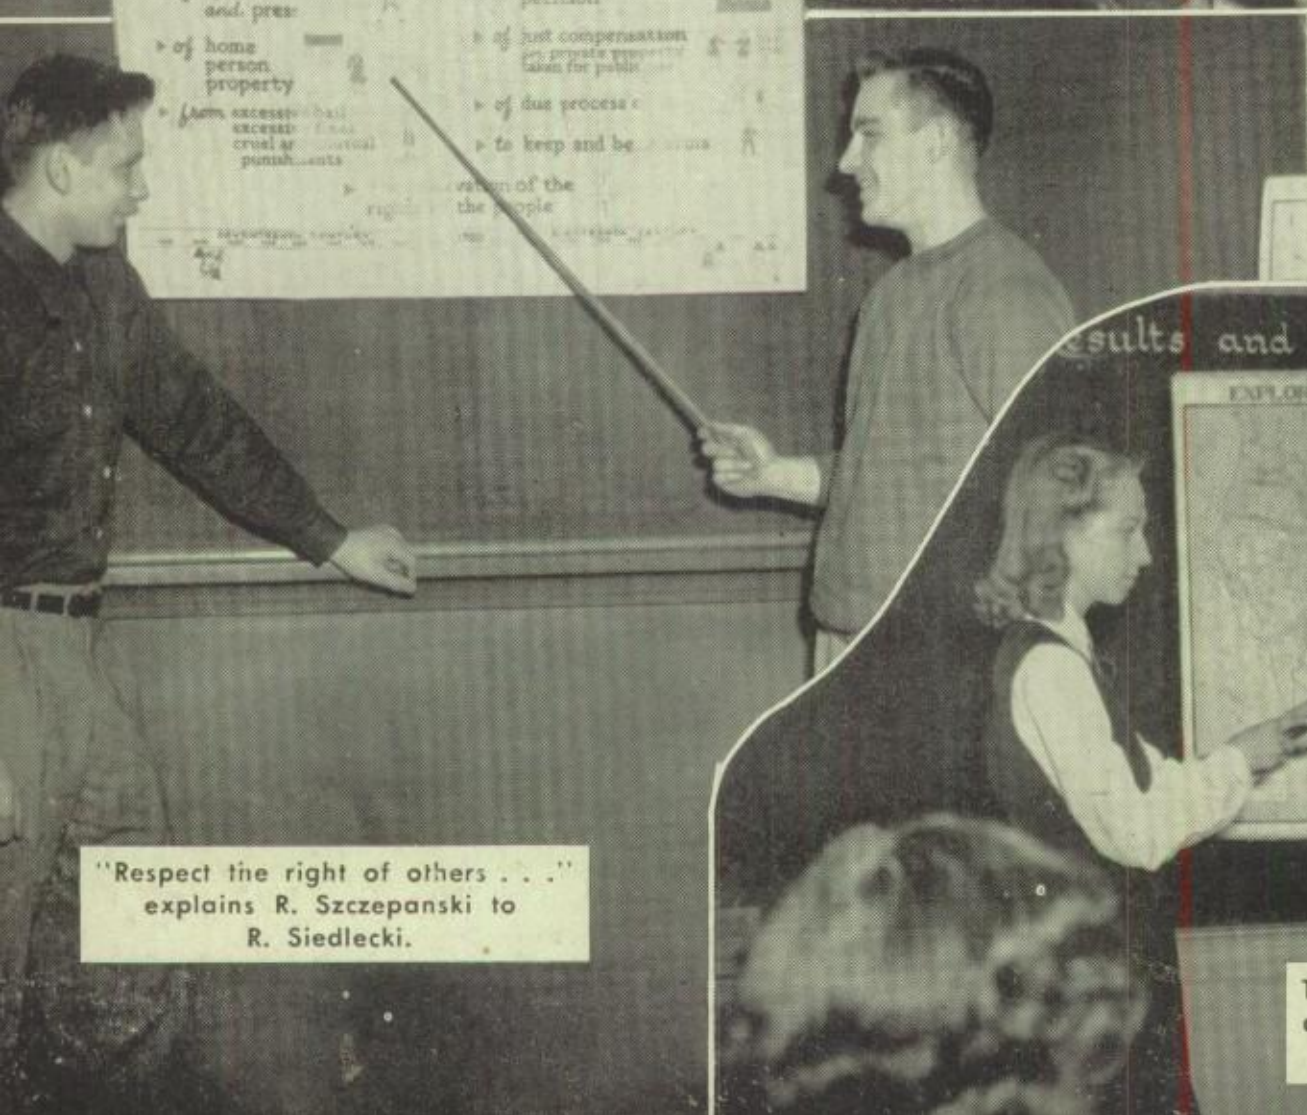

As social science students we are taught past and present world affairs. At Catholic Central we pass through, five phases of political science and learn to adapt each to the problems of today. First comes Ancient History which deals with the successes and blunders of ancient races and their government. As Sophomores, we study the government of Medieval civilization. In the eleventh grade we study the beginnings of our own nation and government. In the first semester of our Senior year we study the valuation and operation of American Government in Civics. The final phase of our study is Sociology through which we learn our place in society.

"Precisely here lies Korea," points out Mr. Thomas to J. May, E. Muraski, I. Slott, J. Deschaine.

Socology seems to prove interesting to Seniors V. Willacker, D. Vincent, M. Hamilton.

"Respect the right of others . . ." explains R. Szczepanski to R. Siedlecki.

The boundaries of the Louisiana Purchase are pointed out by J. Wavra as M. Thomas reads them.

"For wisdom will not enter into a malicious soul, nor dwell in a body subject to sins."

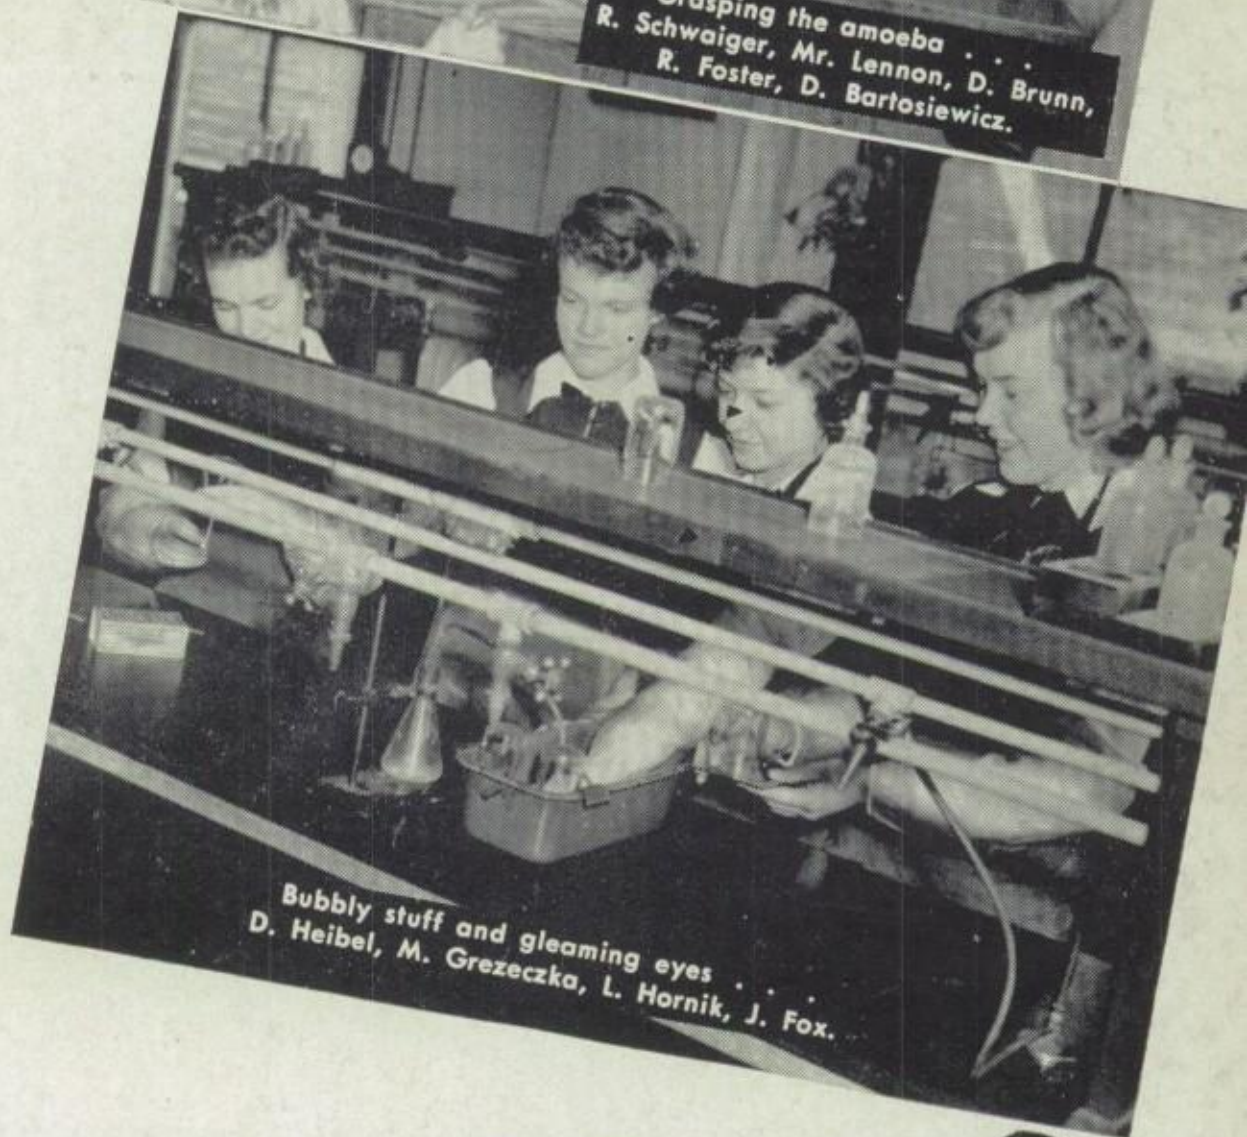

Wisdom 1:4

At Catholic Central students may take a complete elementary course in science. Starting with General Science, we are introduced to the course and taught to realize the scientific wonders about us. In addition Biology and Physiology are taught to us who are interested in living organisms and their functions. In Chemistry we are taught the composition of substances and their transformations. As Physics students we again emerge from the realm of atoms and molecules to study the physical behaviour of substances and the laws that govern such behaviour.

In all these sciences we come to appreciate more the power of God on the laws of nature. However, none of these wonders even come close to the miracle which God performs on our altars daily.

Commercial

Catholic Central has an excellent commercial course. For those of us who like office work two years of Typing and two years of Shorthand are offered. We may also add to our secretarial knowledge of Typing and Shorthand, Junior Business and Bookkeeping.

On the artistic side, those of us artistically inclined may study either commercial art or Mechanical Drawing. In either the Secretarial or artistic line of commercial studies we get an excellent start for work in this field.

And Others

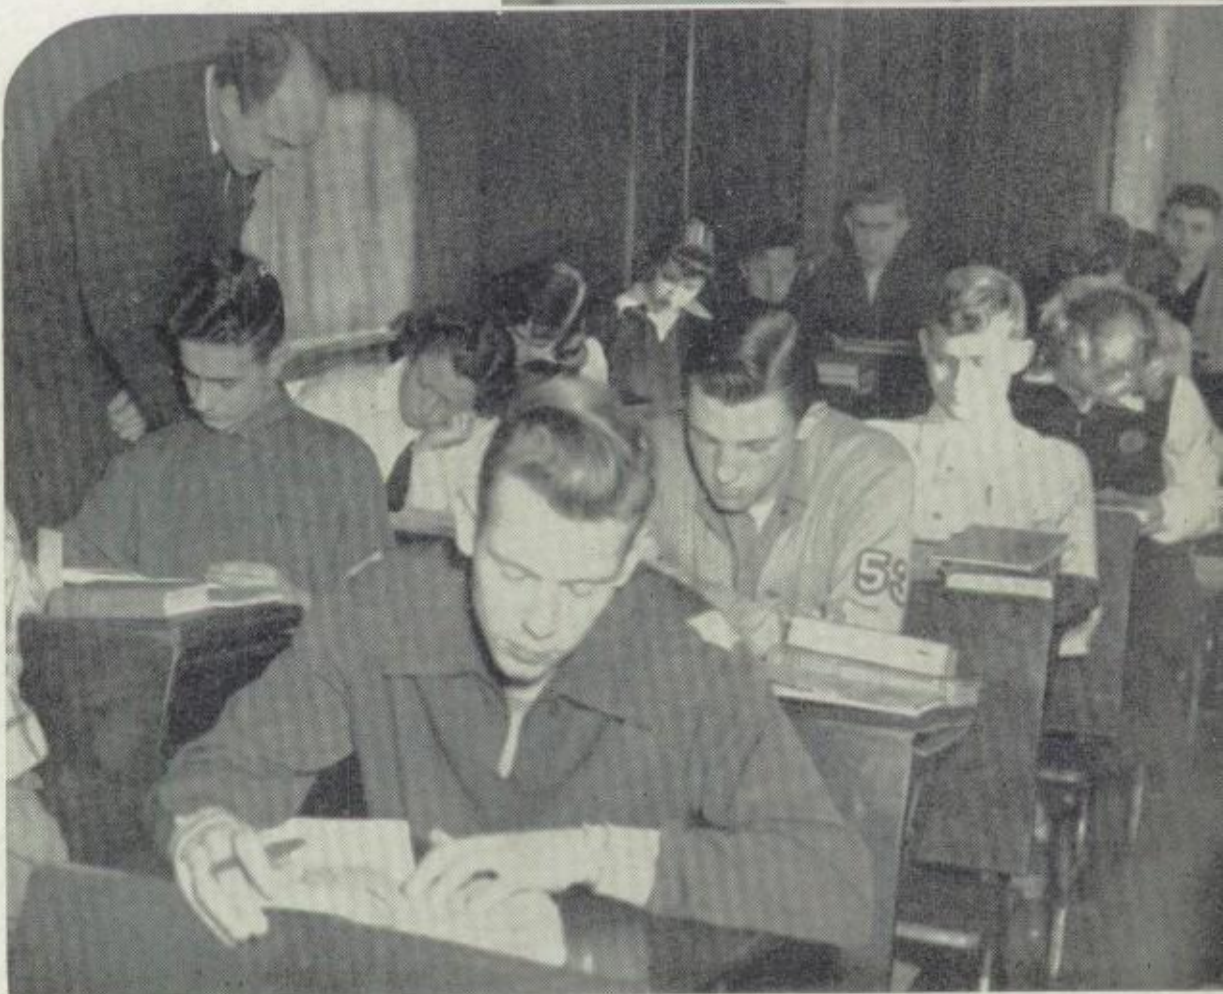

Since most of us have some study periods, the three libraries and study halls are in constant use. It is in these rooms that we do most of our research work and study.

Behind the scenes at Catholic Central, we see the work of our registrar and the three secretaries who daily check the absentee lists, mimeograph bulletins, answer calls and do various jobs in aiding to solve the problems of administration.

“We offer unto Thee, O Lord...”

To Live . . .

On the paten in the priest's hands lies an offering—a host that will be changed into the Body and Blood of Christ. But the wafer is not alone for the paten is heavily laden with the joys and sorrows, gratifications and disappointments of all our school activities. Mingled together these human and divine gifts will be offered to God. Through these oblations we receive the necessary grace to live as God wills.

Spires Staff

"The best and nothing but the best," was the motto of the SPIRES Staff as they started in October, to compile the annual SPIRES. Our advisor, Sister M. Euphemia, acquainted us with the work that was to be done and we began what seemed to us to be an impossible task. However, as the weeks and months slipped by we realized that this "impossible task" was being accomplished and that we thoroughly enjoyed our work. In May, the SPIRES Luncheon was held and this, to us, was the climax of an exciting and eventful year as members of the '51 SPIRES Staff.

Glee Clubs

The Senior Glee Club composed of 80 Senior mixed voices, made its first appearance, December 19, in the Cathedral, under the direction of Sister Anna Marie, O.P. Their greatest performance was Class Night.

West Side Glee Club, a select group of ninth and tenth graders, supervised by Sister M. Michael, S.S.N.D., pleased many by their singing, not only for school assemblies, but in various churches.

Both groups participated in the Spring Concert, carolling at St. Mary Hospital and the Little Sisters of the Poor.

Music Students

Catholic Central can boast of many talented musicians. This year one Patricia Lamey is outstanding. Although Pat will not receive a music graduate's diploma, she will be presented a meritorious award for scholarly work in voice during her four years in high school. This presentation will take place at a music recital June 3, under the capable direction of Sister Anna Marie, musical director for Catholic Central. Other voice students who will participate are: Colleen Boyle, Marlene Vanderwerf, Jean Swart, and Dora De Santis.

Patricia Lamey gives us her rendition of "With a Heart That's Free."

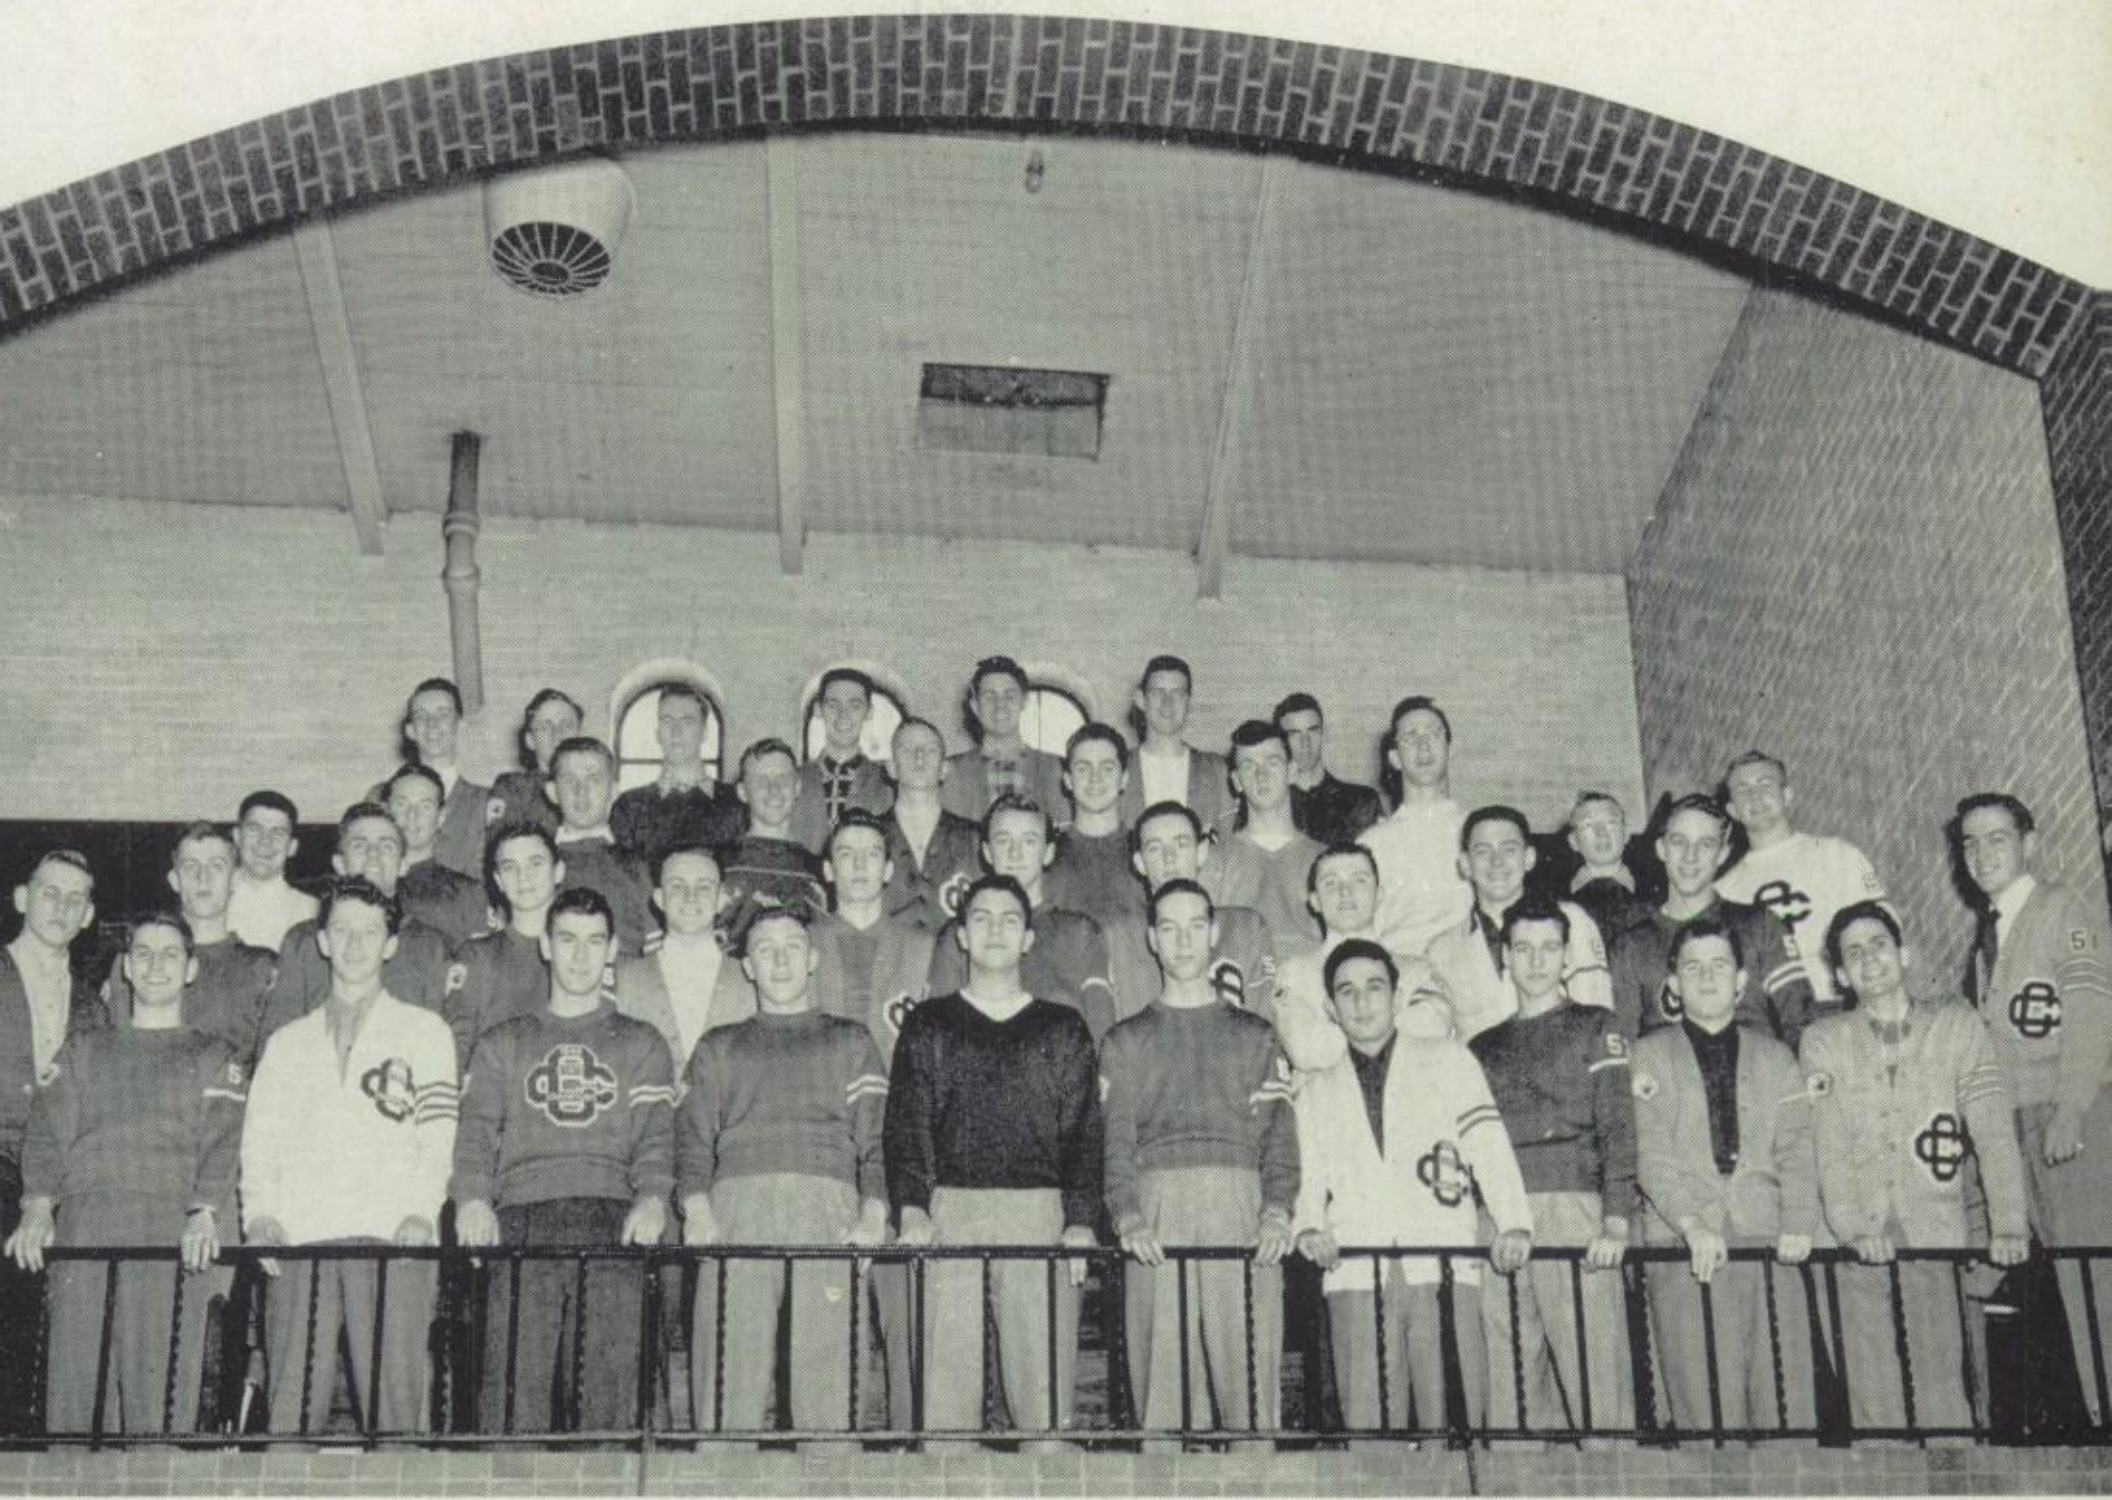

Their program of vocal solos is:

- "A Heart That's Free" Robyn
- "When Honey Sings An Old Time Song" Carey

They sponsored the annual Varsity Dance which was a great success and a weenie roast in the spring. The officers are: R. Bouwens, L. Wolf, P. Van Wingen, and P. Sheldon. EUCLIDEAN

The Euclidean Club, with Sister Rose Marie as its advisor delved deeply into the mystery of mathematics. This club composed of twenty-six girls, aimed to promote interest in the study of mathematics and to develop an appreciation for the truth and beauty in mathematics and our dependence upon it in practical life.

Under the guidance of Sister M. Eulalia, the Library Club has carried out its duties efficiently. Some of the tasks these eleven girls performed were: checking books, keeping them in good condition, and arranging the library bulletin board up to date. The main purpose of this club was to foster the appreciation and interest in books.

Like the troubadours who went from chateau to chateau delivering the news of the time, so did the French Club, under the supervision of Sister M. Irma, go through France by way of imagination. They had personal contact with the French people by writing to "pen pals."

MISSION

The Mission Club, under the direction of Sister M. Valeria and Sister M. Xaverine, did all it could to help support the various missions. They accomplished this by having cake sales, collecting stamps, and accepting contributions from the classes to aid the people engaged in this worthy cause.

The members pictured below are: Row 1: J. Orlikowski, J. Blaskis, J. Hare, M. Drizo, G. Moore.

Row 2: B. Doud, B. Host, R. Russell, J. Jackubowski, R. Boheim.

WRITERS

Under the leadership of Sister M. Joan, the Writers Club used their energy for writing themes and poems for the benefit of their classmates. One of their main projects of the year was to write the material adapted to the class night program. This club greatly assisted the twenty-one members in cultivating a knowledge of the beauty of creative work in literature.

CHEMISTS

The Chemists Club, composed of ten boys, found their membership in this club not only educational but also enjoyable. Under the able supervision of Sister M. Petronilla, the laboratory assistants devoted their spare time to preparing solutions, setting up equipment, and other jobs.

The members shown below are: Row 1: L. O'Rourke, T. Majchrzak, W. Herbig, D. Bockheim, A. Bott, L. Kaupa, W. Broucek, J. Brooks, D. Lukowitz, W. Farhat.

Row 2: J. Covey, D. Aubert, G. Martin, R. Willette, R. Brandstatter, J. Foster.
Row 3: K. Mulvihill, C. Krupp, F. Braun, C. Rielly.

With Sister M. Roberta as advisor, the Ushers Club performed a very commendable job this past year. Their duty of ushering students, either at retreat or at informal gatherings, was carried out to the letter and with greatest courtesy.

Promptness, courtesy, and honesty are the characteristics which the Student Council of Catholic Central displayed. Under the direction of Sister M. Damien and Sister Leo Marie, these students cheerfully directed visitors through the halls and delivered many messages.

The first semester rallied to a close and left the students of Catholic Central prepared for their second annual Retreat. From January 29 to February 3, Father William Fox's melodious voice rang through the church filling the minds of the students with the necessity for Catholic education, purity, and conformity to Catholic doctrine. Father Cyprian, O.S.F., conducted conferences at West Side Catholic Central.

For a period of two and a half days each, the boys and girls spent their time between conferences in meditation, thoughtful reading, and a noticeable silence. The Retreat had fulfilled its purpose as the students pledged themselves to live better Catholic lives.

Marian Club

"Mary Mediatrix of all Graces," was the inspiring title selected by the Marian Club composed of Senior girls. Under the guidance of their advisor, Sister M. Joan, and their capable prefect, Bonnie Dodge, the members strove to fulfill the requisites necessary for true membership: participation in daily Mass, Holy Communion and attendance at the weekly Rosary. Thus, each girl proved herself a shining example of holiness by her increased personal sanctification and greater devotion to the Blessed Virgin.

The Seniors were enrolled in the Angelic Warfare on March 5, with Father Martin Garry O.P. officiating. Included in their social activities was the Mother-Daughter-Faculty Tea held on April 22, prepared by the following: Mary Schnur, Patricia Myslewiec, Nancy Crowley, Frances Zalewski, Judy Nahs.

Whenever there is boosting to be done, our thirteen cheerleaders are always on hand in their shiny new blue and white outfits. Are we proud of them? Just ask any followers of the team (pictured above) and they will answer, "Yessiree! They are quite the thing."

Have you noticed the seven new faces among this cheerful group? They are real springy Suzies and bouncy Bobs too. Certainly all will agree that together with their instructor Mrs. LaBelle they have done a splendid job in rousing that old school spirit.

"Congratulations" . . . from Msgr. Murphy to N. Mead, B. Ptak, and P. Corsiglia for their super salesmanship in the car raffle.

What were you doing on the cold wintry night of November 10, 1950? If you were at the Stadium dancing to the music of Tony Horvath's orchestra, you attended the most novel dance of the year. Margaret Van Luyn, and her court comprised of Maryann Gibson, Marlene Grypma, Jeanne Kelly, Patricia Russell, Maraget Nelson, Judith Nahs, Artis Kline, Jean Frydrych, and Noreen Brown reigned over the festivities and added a colorful note in their gay formals.

Adding to the enjoyment of the six-hundred students and alumni present was the hilarious entertainment presented by some of the talented Seniors. The highlight of the evening was the raffling of the 1950 Plymouth, a project which proved to be the most successful ever undertaken at Catholic Central. In round figures the dance and the raffle combined netted the school about eight thousand dollars.

"After the Dance Is Over" . . .
D. Linacre, J. Orcutt, M. Grypma, K. Mulvihill,
bring to a close a very successful evening.

Taking the biggest bow for selling the most chances and winning the television set was Patricia Corsiglia. Others showing outstanding salesmanship were Bernard Ptak, Nancy Mead, Richard Dorais, Paul Spielmaker, Lucy Doyle, Jacqueline Bennet, Mary Ann Kowalkski, Robert Surek, and Charles Woznicki. Also deserving of applause were homerooms 300, 303, 201, 307, 306, 204, B2 and B.

As the evening drew to a close, the students were all happy the knowledge that they, working as a team, had accomplished their goal in making this night a memorable one.

The Black and Silver Room of the Civic Auditorium was crowded February 3 with Catholic Central students and alumni attending the annual Sno-Shuffle. The girls, in their lovely, daintily colored formals and their handsome escorts danced dreamily to the music of Tony Horvath and his Orchestra.

During intermission the uniquely planned entertainment added greatly to the success of the evening. A few of the Senior boys gave the interpretation of a "typical" radio program. Gertrude Carew and LaVerne Wolf were crowned Queen and King of the SPIRES.

At exactly twelve o'clock the students donned their coats and happily left the dance. Now, though a thing of the past, the 1951 Sno-Shuffle will remain in the memories for years to come.

The Consecration arrives. The priest takes bread and wine into his hands and with the words, "This is My Body," and, "This is My Blood," changes these common elements into the Living Body and Blood of Christ. Our human acts become divine—our strength is greater in this union; Analogously, our untrained youths are transformed into skilled athletes. Through long, hard practice they develop the teamwork and coordination necessary for winning teams.

Cougars On the Prowl

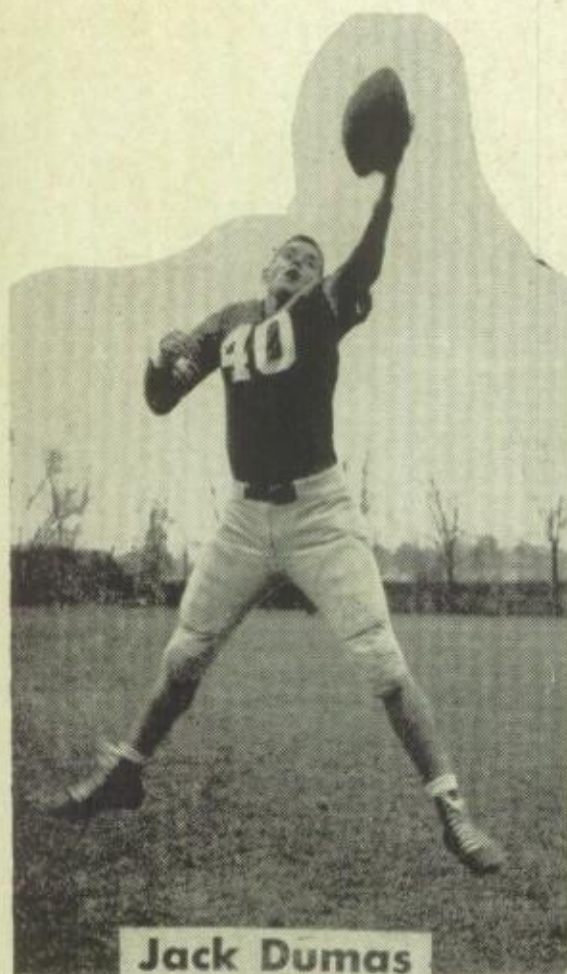

The neuclei of the football team are Ted Sowle and Joe Godleski. Mr. Sowle, our very successful football coach, is a perfectionist in fundamentals. His "right hand," Joe Godleski, has proven indispensable in field strategy on every occasion.

Don Lennon was appointed coach of the second team upon the death of Jack Young. He in turn was replaced by Casey Pobojewski as Freshmen coach.

Behind the scenes of the football field was seen the work of Frank Geary, the equipment manager; and our athletic director, Father Joseph Murphy.

Facts and Figures of the Football Team

The fighting Cougars had a score of all-city players in its midst. The highlighted season was climaxed when Bill Banazak, made all-state honors, and Pete Naimo received honorable mention.

On the all-city team were Paul Sheldon, Jerry Schoen, Tony D'Amico, and Dick Vorenkamp. La-Vern Wolf, Max Schmitt and Pete Van Wingen were members of the all city second team. . . . Coach Ted Sowle took the team to Detroit to watch a Lion's football game. This was quite an experience for some of the boys. . . . On Wednesdays the players saw a film of the game played the preceding week end. This was sometimes embarrassing when a player missed a block or an easy tackle. . . . After the season, the team unanimously awarded Ron Makowski the Notre Dame trophy for sportsmanship and high scholastic standards. . . . The Cougars were honored with banquets given by the Holy Name Society of St. Alphonsus Parish, and the Knights of Columbus.

"Doc" Erasmus takes time out.

Team's Doctor

While one is showering praises on the team, coaches, and players, he sometimes overlooks a very important figure, the trainer. Ray "Doc" Erasmus, by his fine medical work, has made himself a valuable mainstay in the Cougar lair. Ray does not stop at football. His ability to doctor aches and pains continues in all major sports. If "Doc" ever charged any of his patients for his services, he could retire in a year's time. He seems to like the job and says he needs the practice. Most of all, he takes great pride in his work.

Cougar Speed Stuns Muskegon

On September 15, C. C.'s football team began its 1950 season with speed and superb play which cut down the big, but apparently baffled Muskegon squad. Muskegon holds the edge in triumphs, but it was the second consecutive year that Catholic has defeated them.

For the Cougars, Pete Naimo, Jack Doran, LaVern Wolf, Max Schmitt, and Hal Russell lugged the leather, while the brilliant line play of Center Willie Banaszak and End Dick Vorenkamp stopped the rolling Reds.

The "Old Black Magic" was gone but the 1950 team had replaced it with speed and equally eager lads, as shown in the score 25 to 14.

"Whew! That was close!"

Catholic Storms Heights

That Cougar was on the prowl again September 22, and it clawed Muskegon Heights with the able assistance of the second and third string Cougar Cubs to the score of 33 to 6. It was Catholic's 16th consecutive victory and Muskegon Heights' worst defeat in the last ten years. Banaszak led the pack and his linebacking is patterned after the "Killer Kempthorn" tradition. Russell's 54 yard touchdown started the parade, followed immediately by Ron Makowski's interception of a pass and dash of 70 yards for another score behind razor sharp blocking. Doran scored number three on a 15 yard sprint around right end. Schmitt's brilliant passing equal to that of Koelzer's, was shown in his touchdown pass to Naimo. The scoring was climaxed by Wolf.

"If you can't go through 'em, go around 'em."

Scott Ties Cougars

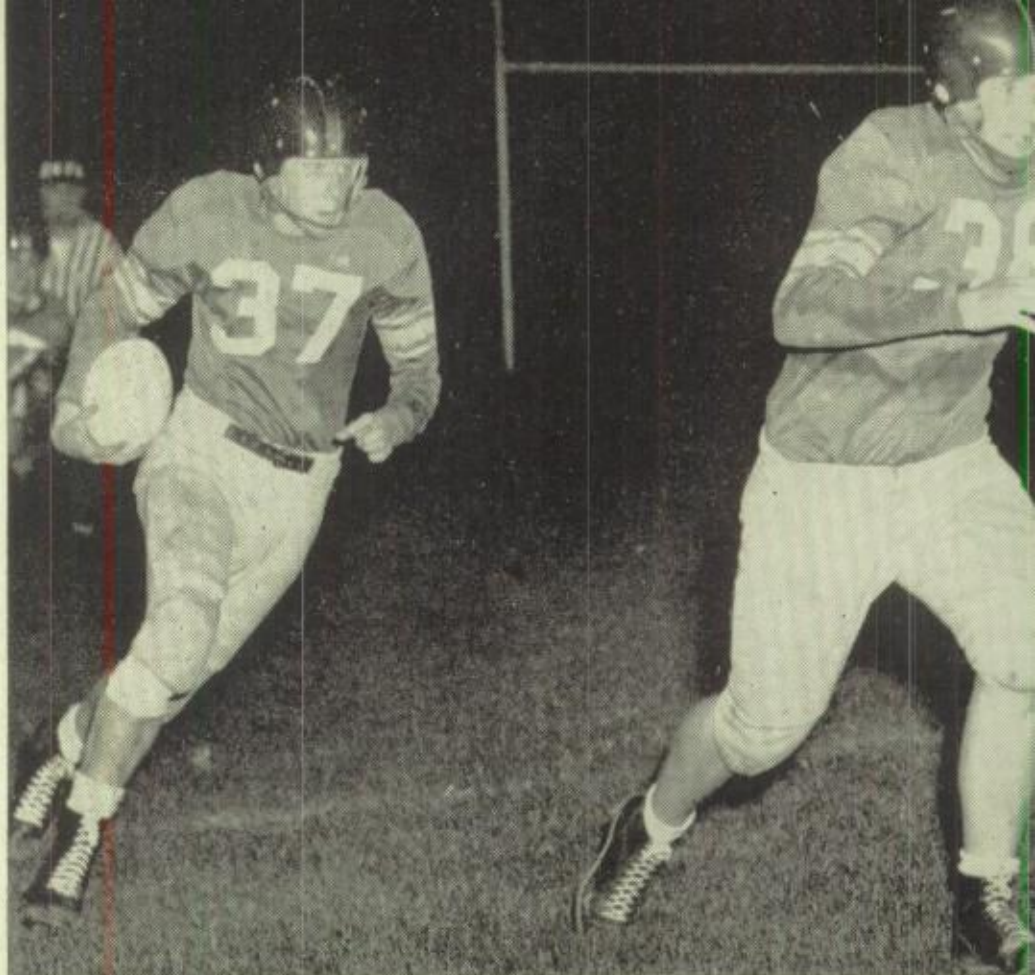

The two teams were both keyed-up for this encounter. The Scotties were out to avenge the defeat handed to them by the Cougars last year, and Catholic's eleven were out to do it again. On September 30, the inspired team jumped off the slowing locomotive only to be slowed down themselves, for the Cougar's prestige was hurt by a 20 to 20 tie with Toledo Scott. Toledo took the first lead, soon to be followed up by Catholic's scoring parade. With a pass from Schmitt, Dumas ran for the first touchdown. Vorenkamp was the outstanding player, credited with crossing the double stripe twice after receiving passes from Schmitt and Naimo.

"Uncaged" . . . M. Schmitt, D. Cook, F. Olewinski, R. Vorenkamp, F. Stanitzek, G. Cook.

Little Notre Dame

On October 7, Catholic Central, the defending State Champions, dropped their first game after 18 consecutive wins. The first quarter ended scoreless, signifying the terrific tempo of the final three periods. Union crossed the double stripe first, only to be followed by Wolf's sparkling 42 yard touchdown sprint. Again, Wolf, standing on the eight yard line, snatched a spiraling 45 yard pass from Schmitt, stepped across, and made things look normal. Naimo converted both times. Pete then streaked 69 yards to the Union 20. Catholic was stopped at the 14 at the change of the game, for Union took over, and with two touchdowns, came out the victors with a 14 to 19 score.

"The big parade."

Catholic Drops South

The fast-charging Cougar line was the prevailing factor as Catholic opened its 1950 City League campaign with a victory over the South High Trojans, October 14. The scoring was done by hard-working Naimo, who pushed over two touchdowns, and Wolf, who crossed the double stripe once. The Catholic offense was working beautifully, trapping and tearing the Trojan line at all ends of the field. The South High offense found it hard, moving against the stubborn boys in blue, and were held to a lone marker that came late in the third period. Catholic's city league fans were fairly well satisfied with the team — a well organized, co-ordinated machine, when they came out on top of a 19 to 6 score.

"Where's the goal line?"

Catholic Smashes Creston

On October 28, Catholic outclassed a small but determined Bear Squad by a score of 33 to 6. The initial touchdown came when Creston was stopped on the 49 yard line, and the Bears punted to the Catholic ten, where after a few plays, LaVern Wolf skooted around right end for 69 yards and the first Cougar touchdown. Wolf again carried the ball 76 yards to cross the double stripe. Doran accounted for the third six-pointer with a 59 yard gallop. Kosminski's pass clicked with Cook to add a fourth TD. The Cougar's final tally was added by Jerry Kosminski, who brilliantly intercepted a Bear pass on the goal line and ran 100 yards.

"Come on Pete, I'm leading the way!"

Central's Win Streak Snap

Central's dreamers of "topper riches" were awakened abruptly October 20, in a touchdown nightmare by the precise, line-blasting Cougars. Displaying power and balance, Catholic left the field polka-dotted with yellow Hilltopper jerseys. Those who figured in the touchdown spree were Wolf, Schmitt, and Naimo, who scored one apiece; and Tony D'Amico, who tallied three. Naimo added five extra points.

The Catholic defense caged Central's Dick Jackson, thus stopping most of the threat. Ted Sowle used the second and third stringers, who worked and scored like regulars. No single player could be called outstanding for they all played brilliantly; the final score being 47 to 6.

"Hang on Curly! Here we come!"

Catholic Drubs Tribe

Catholic started its victory march with the first play of the game, November 3, when Naimo broke through 68 yards for a touchdown. After four minutes of play in the second period, Ted Olewinski pushed over from the one yard line to give Catholic its second TD, and Naimo added another point. Less than three minutes later, Wolf hiked 27 yards for the third Cougar score. It was 21 to 0 midway in the third period when Roman Zobro skirted left end for another six points. In the first play of the fourth frame, Ottawa scored its lone touchdown to make the final score 27 to 7. Catholic's line shone in its usual brilliancy, and was paced by the fine defensive play of Banaszak, Vorenkamp, and Sheldon.

"We're T. D. bound."

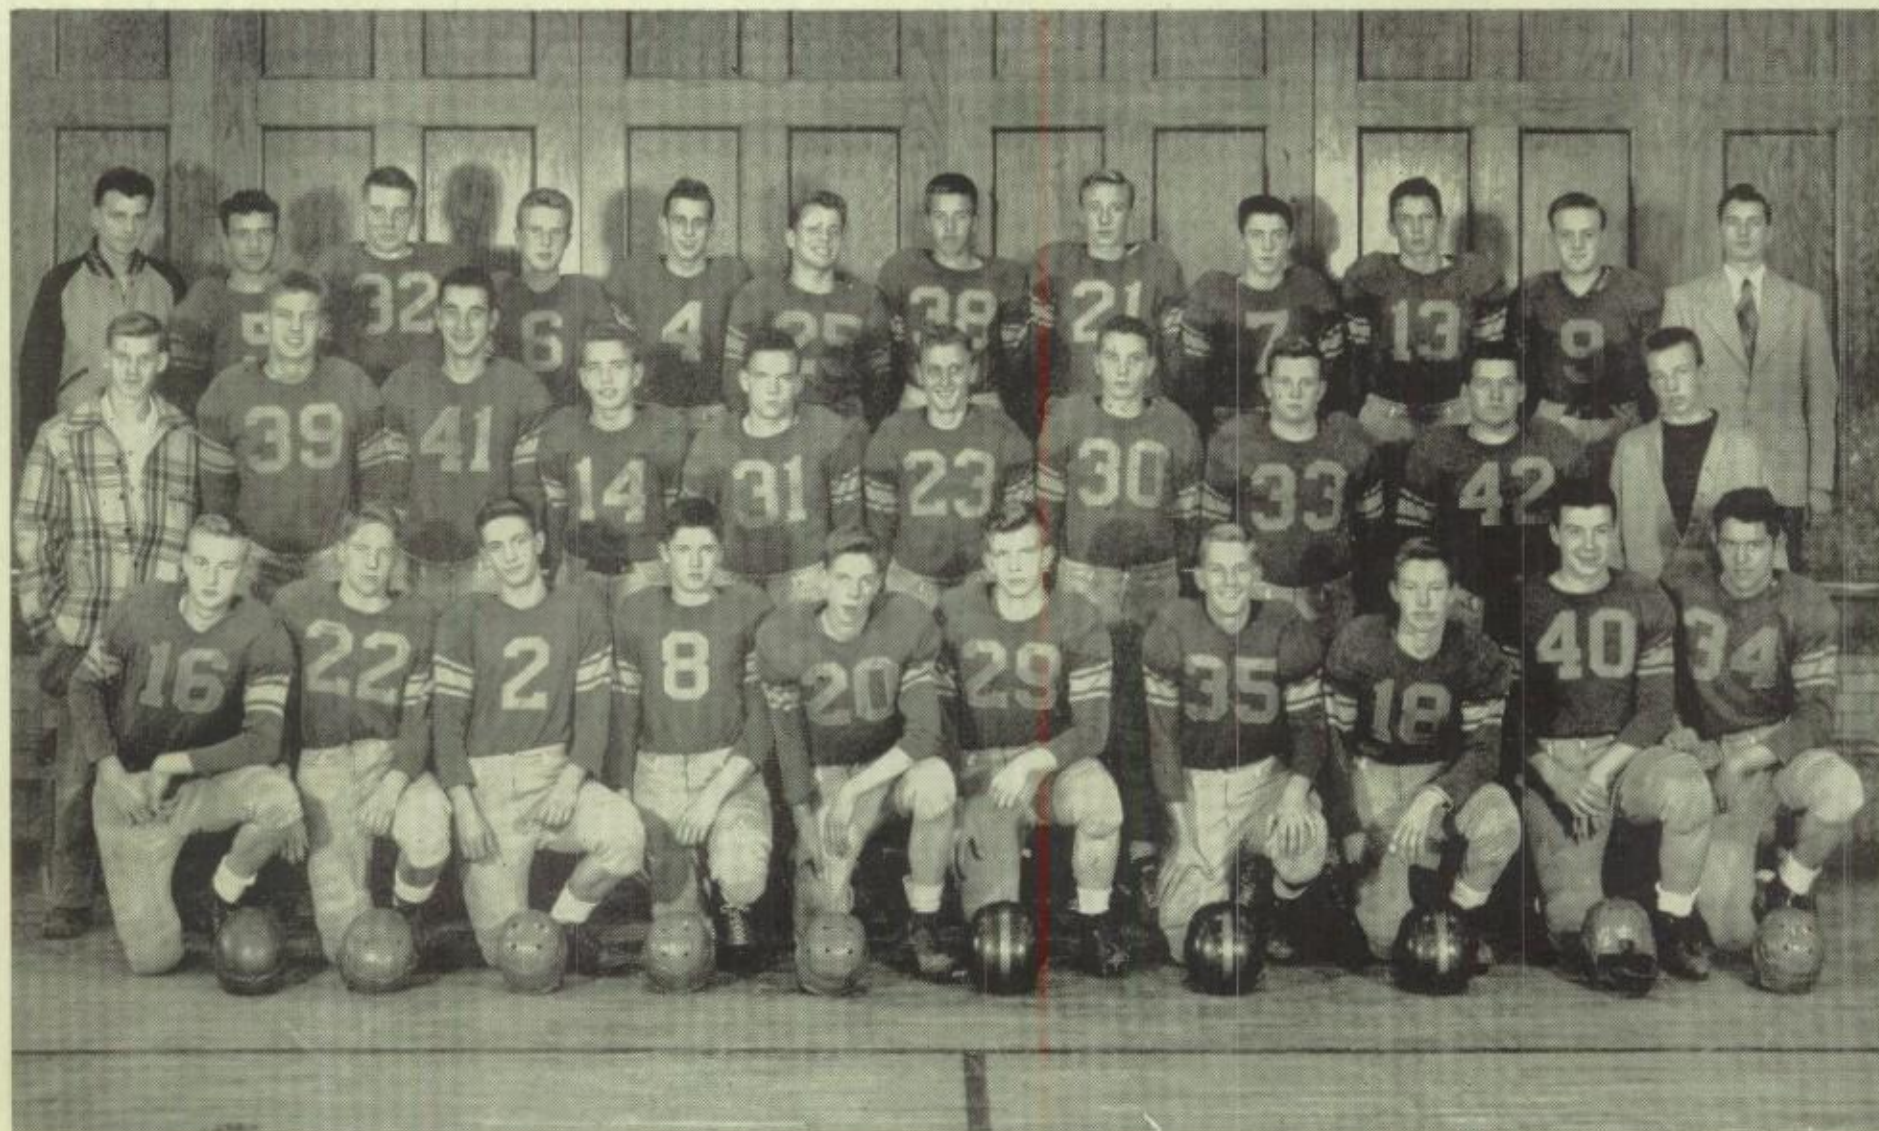

Cougars Claw LaPorte

Catholic brought down the curtain on its 1950 Grid season with a victory over the big invaders from Indiana, November 10. Naimo sparked the "Snow Bowl" game by scoring three times. The game ran on even terms the first half. Then the Cougars came to life, smashing the Slicers defense from end to end, the final score being 27 to 18. Not only did the game end the season, but it also ended the high school football careers of twelve Seniors: Ed Brochu, Frank Olewinski, LaVern Wolf, Willie Banaszak, Tony D'Amico, Pete VanWingen, Ron Makowski, Dick Pariente, Hal Russell, Max Schmitt, Pete Naimo, and Ignace Calvaruso.

The half-time "Homecoming" festivities added beauty to this game which was played in a real winter wonderland.

Second Team

By winning the City Championship, the Cougars have again verified their value, as in the past. This year, they beat Muskegon Heights for the first time since the beginning of the series. The brother combination of Fullback Ron and End Chuck Krueger was a great stimulant to the team. They were pushed by the Halfbacks Jim Huff and Bob Fox, while Bob Murphy executed the field general's job perfectly.

Don Lennon, who annexed the job as coach upon the death of Jack Young, had a heavy line with which to work. The main stems were Terry Rose, Bernie Kranenberg, and Mike McGavin, who held down the tackle jobs. The rest of the line consisted of Miles Murphy and Dennis Tobin at the guards, and Jim Manas and Dick Heynen, the flankers. Mike Kulak covered the pivot position. All in all, they had a successful season winning six games and losing one.

"And the child grew and waxed strong."
 Luke 2:40

Freshmen Team

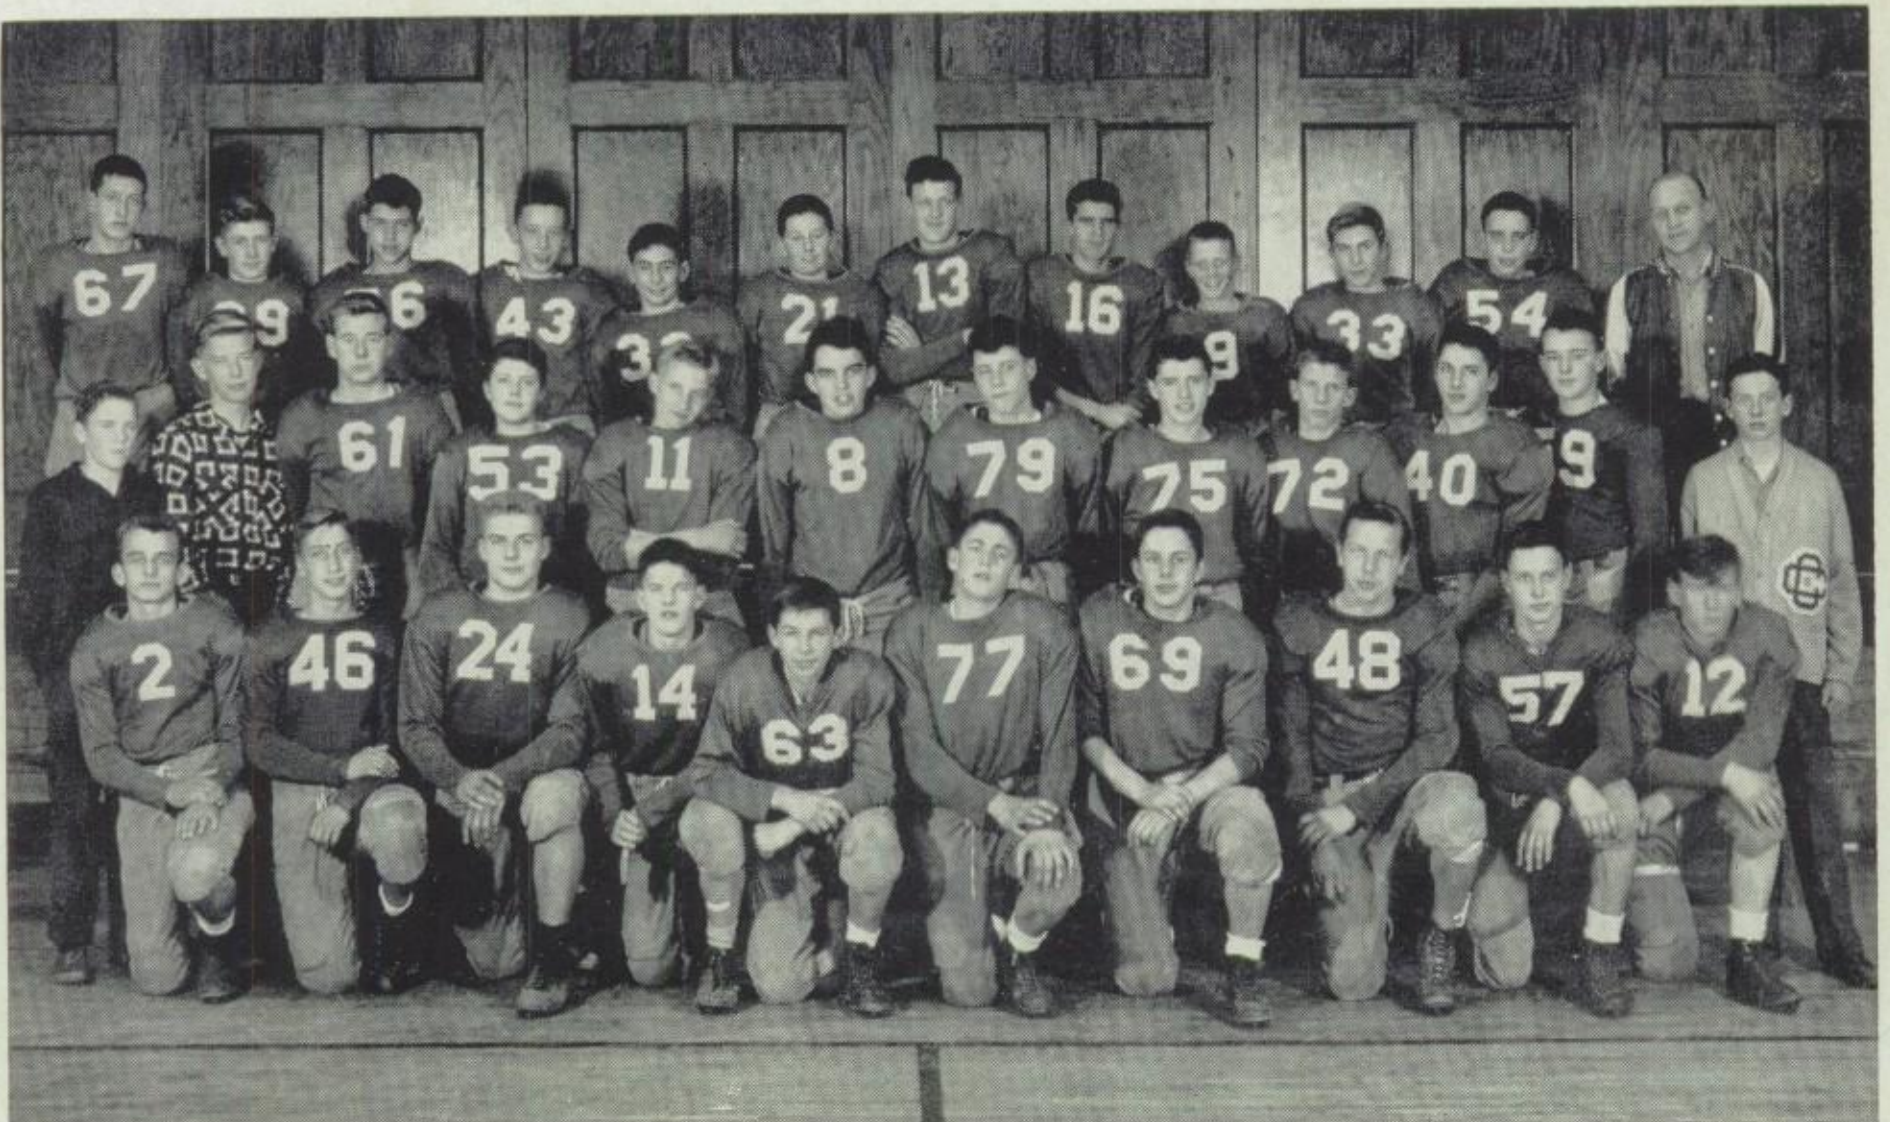

Freshmen Football League in its second year of existence had another championship team produced by the valiant Freshmen. The main stays of the aggregation found Dick Labiotka and Jerry Nye at the ends. The tackles were Dave Golczynski and Bob Wisneski. These men were ably assisted by Guards Stan Moleski, Dick Haven and Center Bob Lucas.

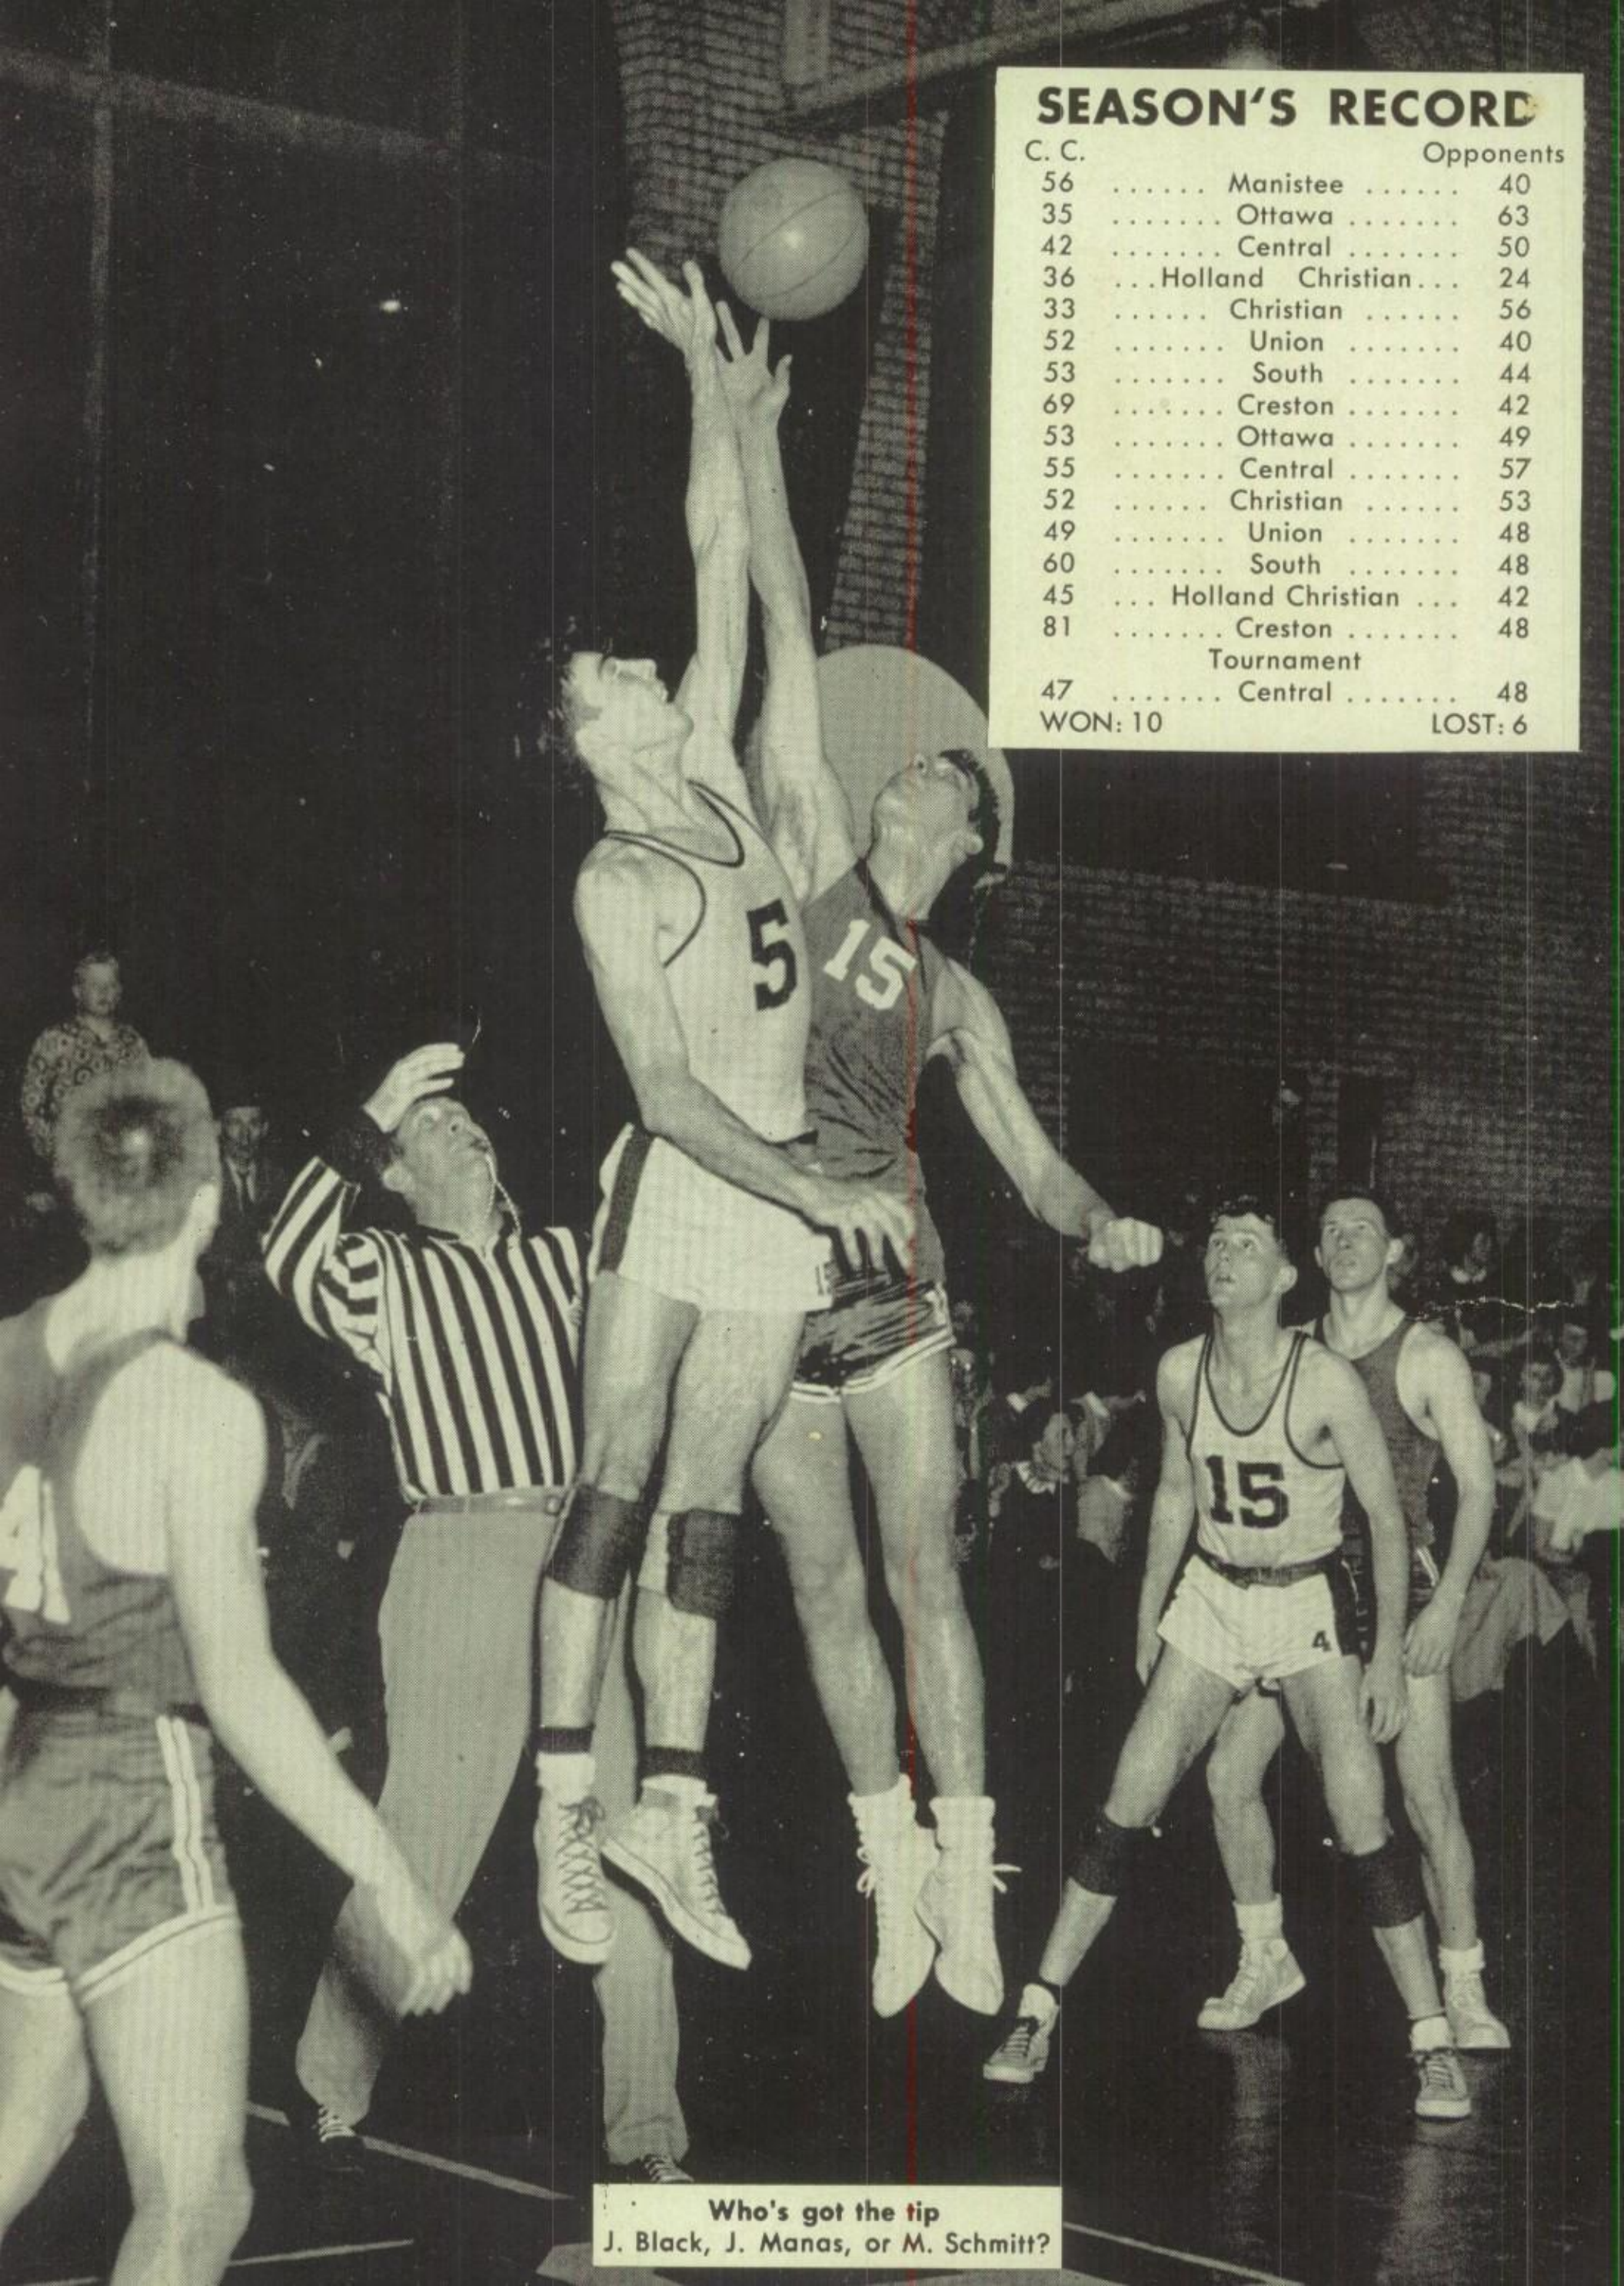

The "Mighty Might's" backfield consisted of Larry Endres and Jerome Karas at the halfbacks. Dick Emaus was fullback, while Jim Jacobitz called the signals.

Other players who saw much action were Halfbacks Dick Szarowicz and Kenny Gilbo, Guard Dick Woodrnick and Center Bob Mazzarella.

Coach Pobjewski completed a successful season, winning six games and losing only one. The one loss was due to the absence of five regular players.

Varsity Basketball

Rated at the beginning of the year as only a purrlink kitten, the mighty Cougar of C. C., broke loose from its cage, and became a raging, snarling cat that clawed its way relentlessly to an undisputed third place in the city league standings.

The magician-like ball handling that graced the team was headed by Captain Max Schmitt, who netted 154 points. The balance and precision of the team's lightning attack gave Jim Black a chance to be the leading point getter with 184 points. Fast breaking Don Lovell chalked up 113 points. Other outstanding members were Jim Manas, Jerry Kozminski, and Don Cook.

The fighting ability of Max Schmitt and Jim Black won for them berths on the All-City team. Don Oleniczak was given honorable mention.

The greatest asset of the team was Coach Don Lennon who, in his first year as varsity coach, brought home a winning team.

Second Team

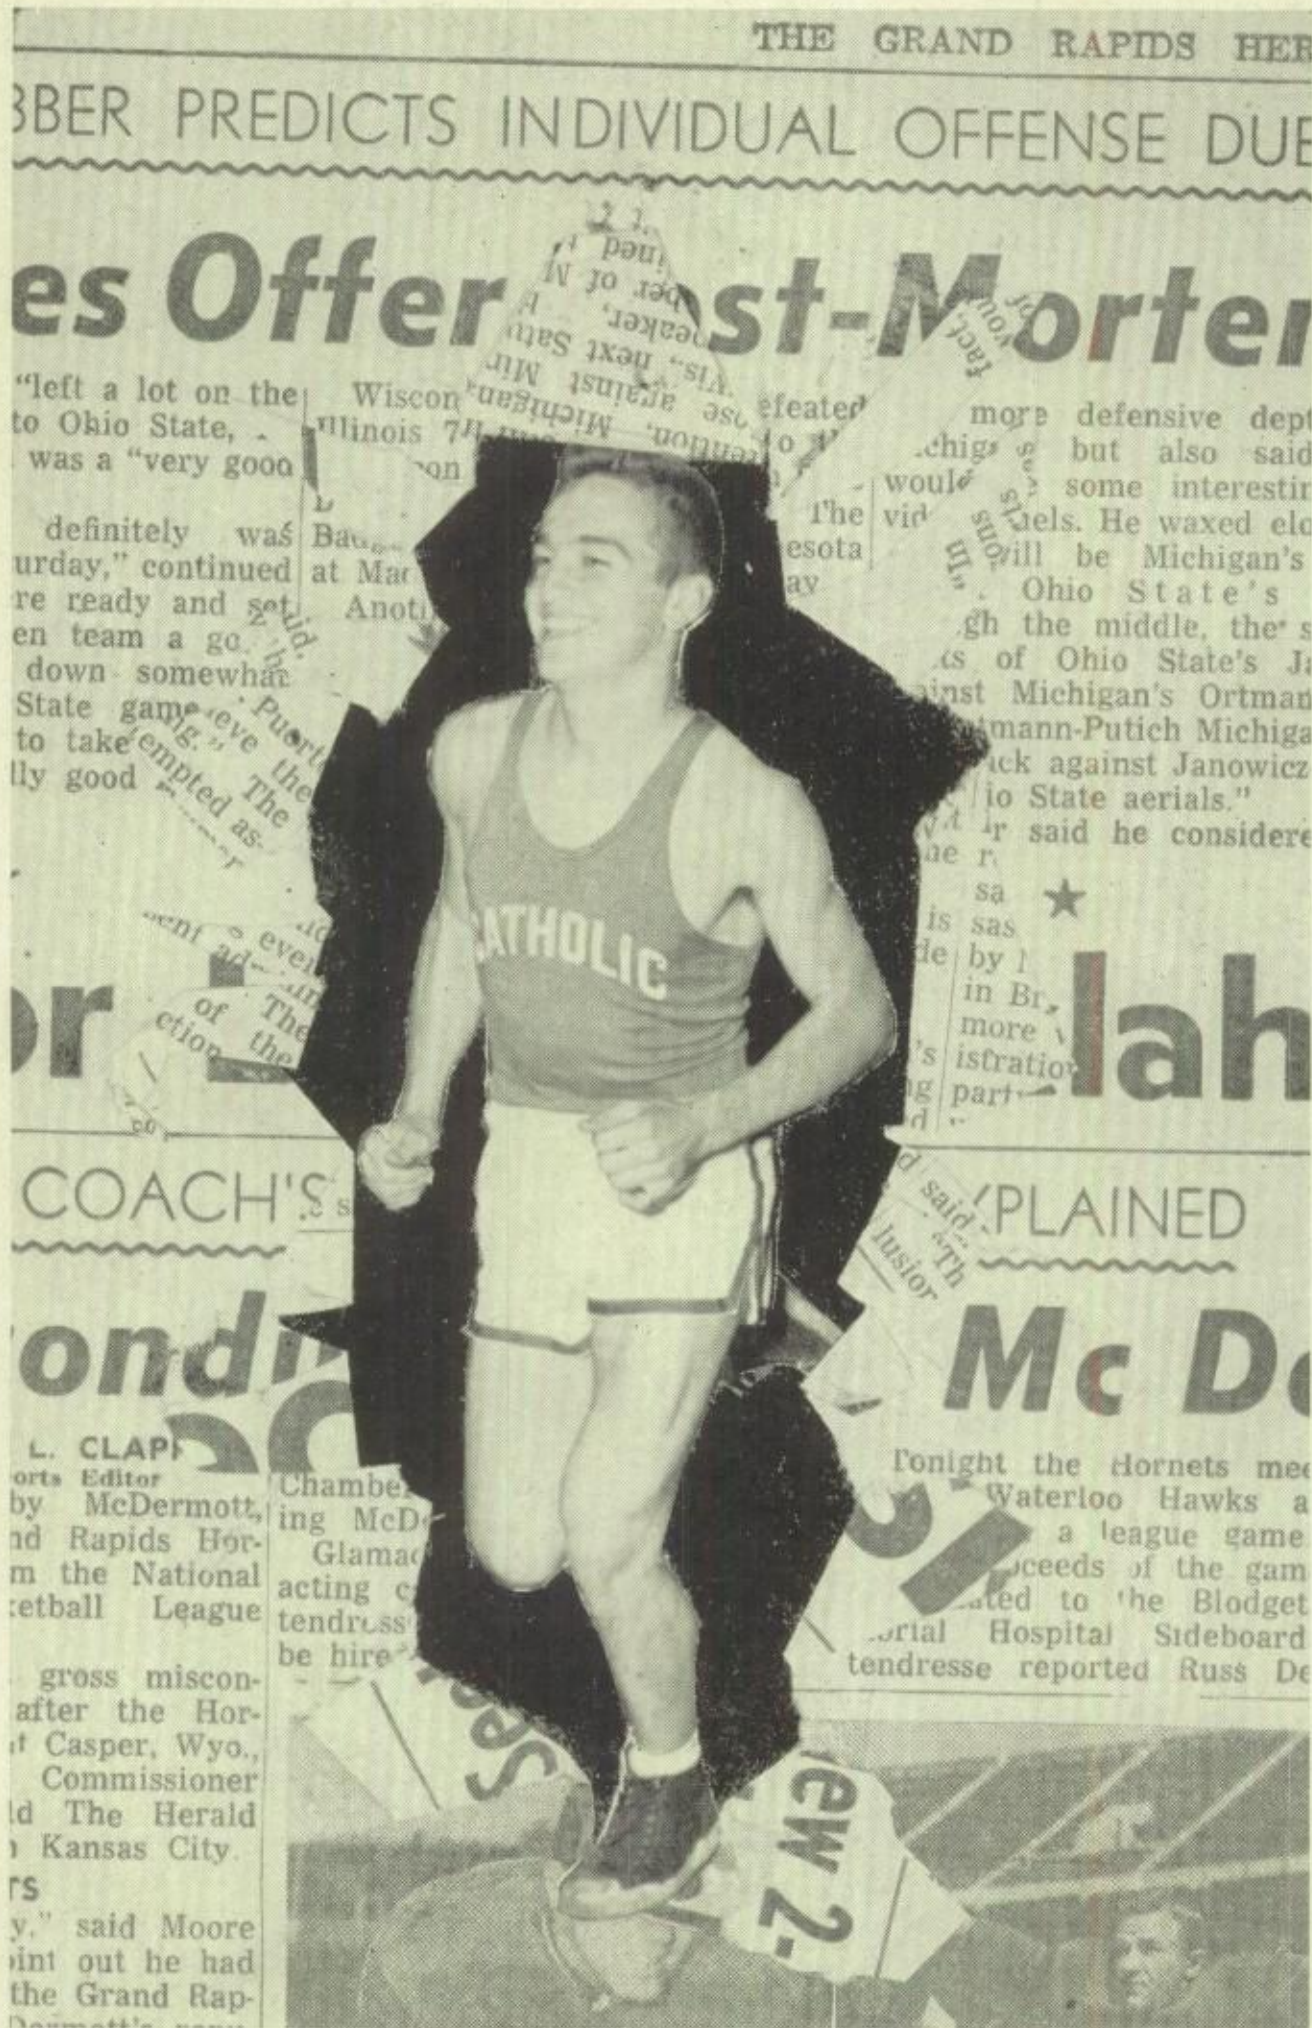

"The spirit is willing but the flesh is weak," was the motto of the second team with the record of one win and twelve losses. The first five consisted of Captain Bob Murphy, high scorer Tom Larken, versatile John Muhall, Jim Sullivan, hustlers Jim Sowle and Hal Brey. Showing the aptitude for a championship team, the Cubs never let up for a minute.

Freshmen Team

The Freshman hardwood heroes failed in an attempt to defend their City Junior League crown. Under the guiding hands of Jewls Sommer and Ray Erasmus the team ended with a three-win, five-loss season. The Cougar Cubs, fighting to the final horn, lost those fatal five games by very close margins. The two new coaches picked as their starting five: Roger Pfeifer, Morton Allen, Jim Jacobitz, Jim Szarowicz, and Bob Mazzarella. While Larry Timm and John Crowley were much used replacements. This group lacks only experience, but makes up for it with spirit.

Cross Country

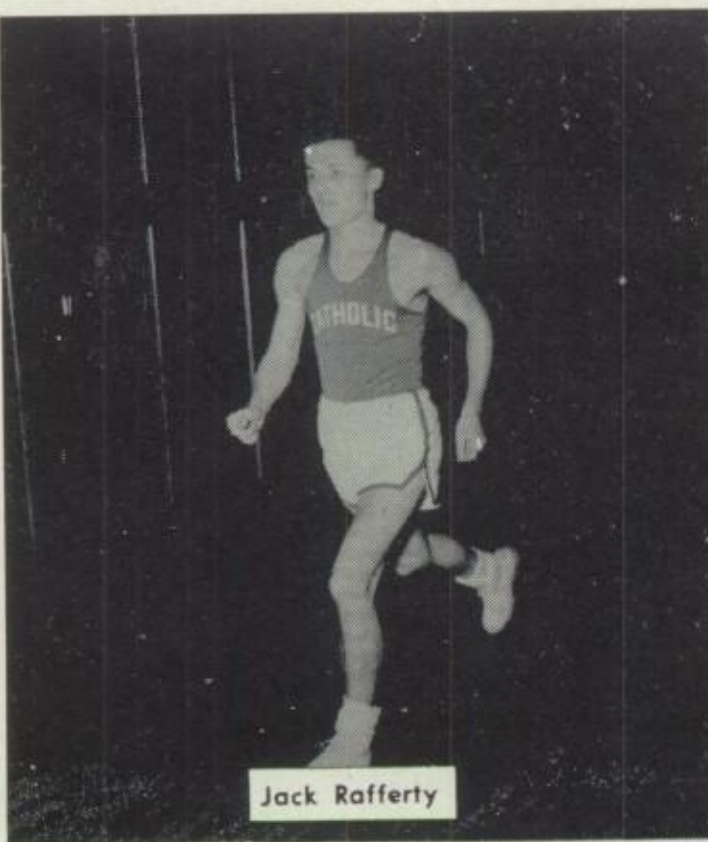

"I therefore so ran, not as at an uncertainty: . . ."

I Cor. 9:26

Our trophy laden harrier, Joe Host.

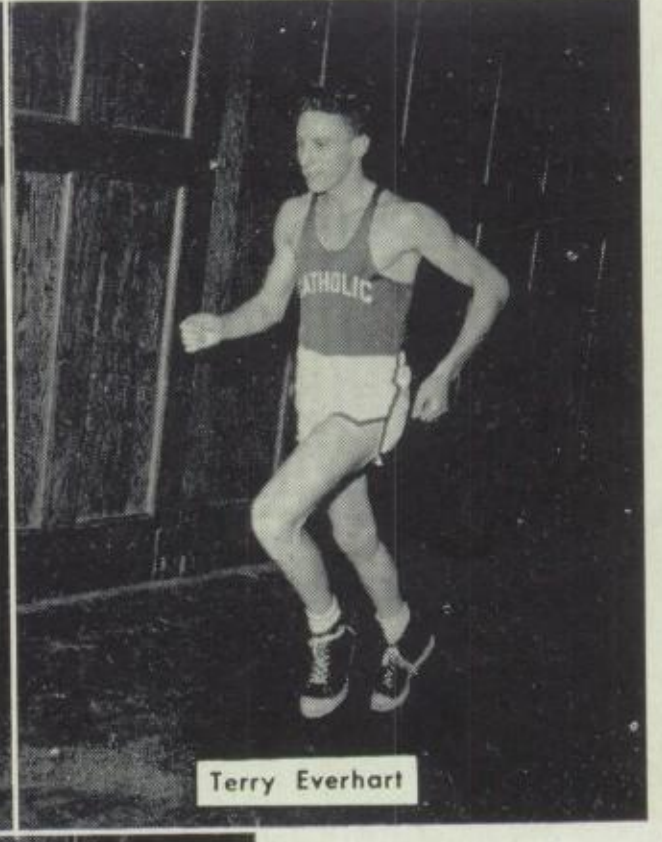

Displaying the same erratic nature as the Michigan elements through which they ran the harriers of Catholic Central swept to championships in city and regional competition. This is the first year Cross Country has any influence on the All Sports Trophy. The Catholic squad led by Joe Host and Jack Rafferty, went all out to gain valuable points for this coveted cup. The team traveled to Kalamazoo to participate in the highly competitive state meet, and returned with third place laurels, largely through the tireless efforts of Joe Host, who placed third. The rest of the well-balanced squad constantly pressing the leaders were: Ted Schuurmans, Terry Everhardt, Jerry Walke, Leo Bott, Jim Brooks, Jerry Krenselewski, Ron McGinnis, Dick Piotroski, Pat Reagan, Larry O'Rourke, and Gordon Schmuker.

Sluggers — Hurlers

The fact that baseball is America's topmost sport was shown by the large number of athletes reporting to Coach Joe Godleski. This year the task of working out muscular kinks and sharpening batting eyes, as usual, was hampered by the typical, changeable Michigan weather. Not only the elements prevailed against us but graduation riddled the Blue and White

squad, resting this season's burden on the shoulders of Max Schmitt, Dick Davis, Ron Makowski, Tony D'Amico, Jack Dumas and Hal Russell.

Nevertheless, the fine spirit and co-operation shown by the boys in work outs raised Godleski's sights, and he will be aiming to better last season's second-place record of nine triumphs against three defeats.

With the return of warm weather comes also a sport that has recently become a favorite of the fans — Track. Coach Ted Sowle is at the reins with his work definitely cut out for him. Aided by a good-sized nucleus of fifteen men, Coach Sowle set up his team in defense of the two titles won last season as our thinclads slashed their way to the City-Dual, and Regional Championships.

The returning letter winners of the great team are: Jack Doran, Lavern Wolf, Pete Naimo, Joe Host, Jack Rafferty, Ted Shuurmans, Terry Everhart, Leo Bott, Dave DeMatt and Wayne Schmucker in the running events. In the field events: Pete Van Wingen, Dick Ward, Bill Kubilius, Jerry Kozminski, and Stu Galka fill the bill. Team depth is easily met by the hard-working underclassmen anxious to prove their worth as Cougar track stars.

With a chorus of "fores" golf returned to Catholic Central in the wet but welcome Spring. Returning to the links to help Don are letter winners: Jim Black, Jim Sullivan, Art Bott, and Bob Faber. Along with these boys are promising alternates Jerry Junewick, Dick Stasiukinas, and Bob Pupel.

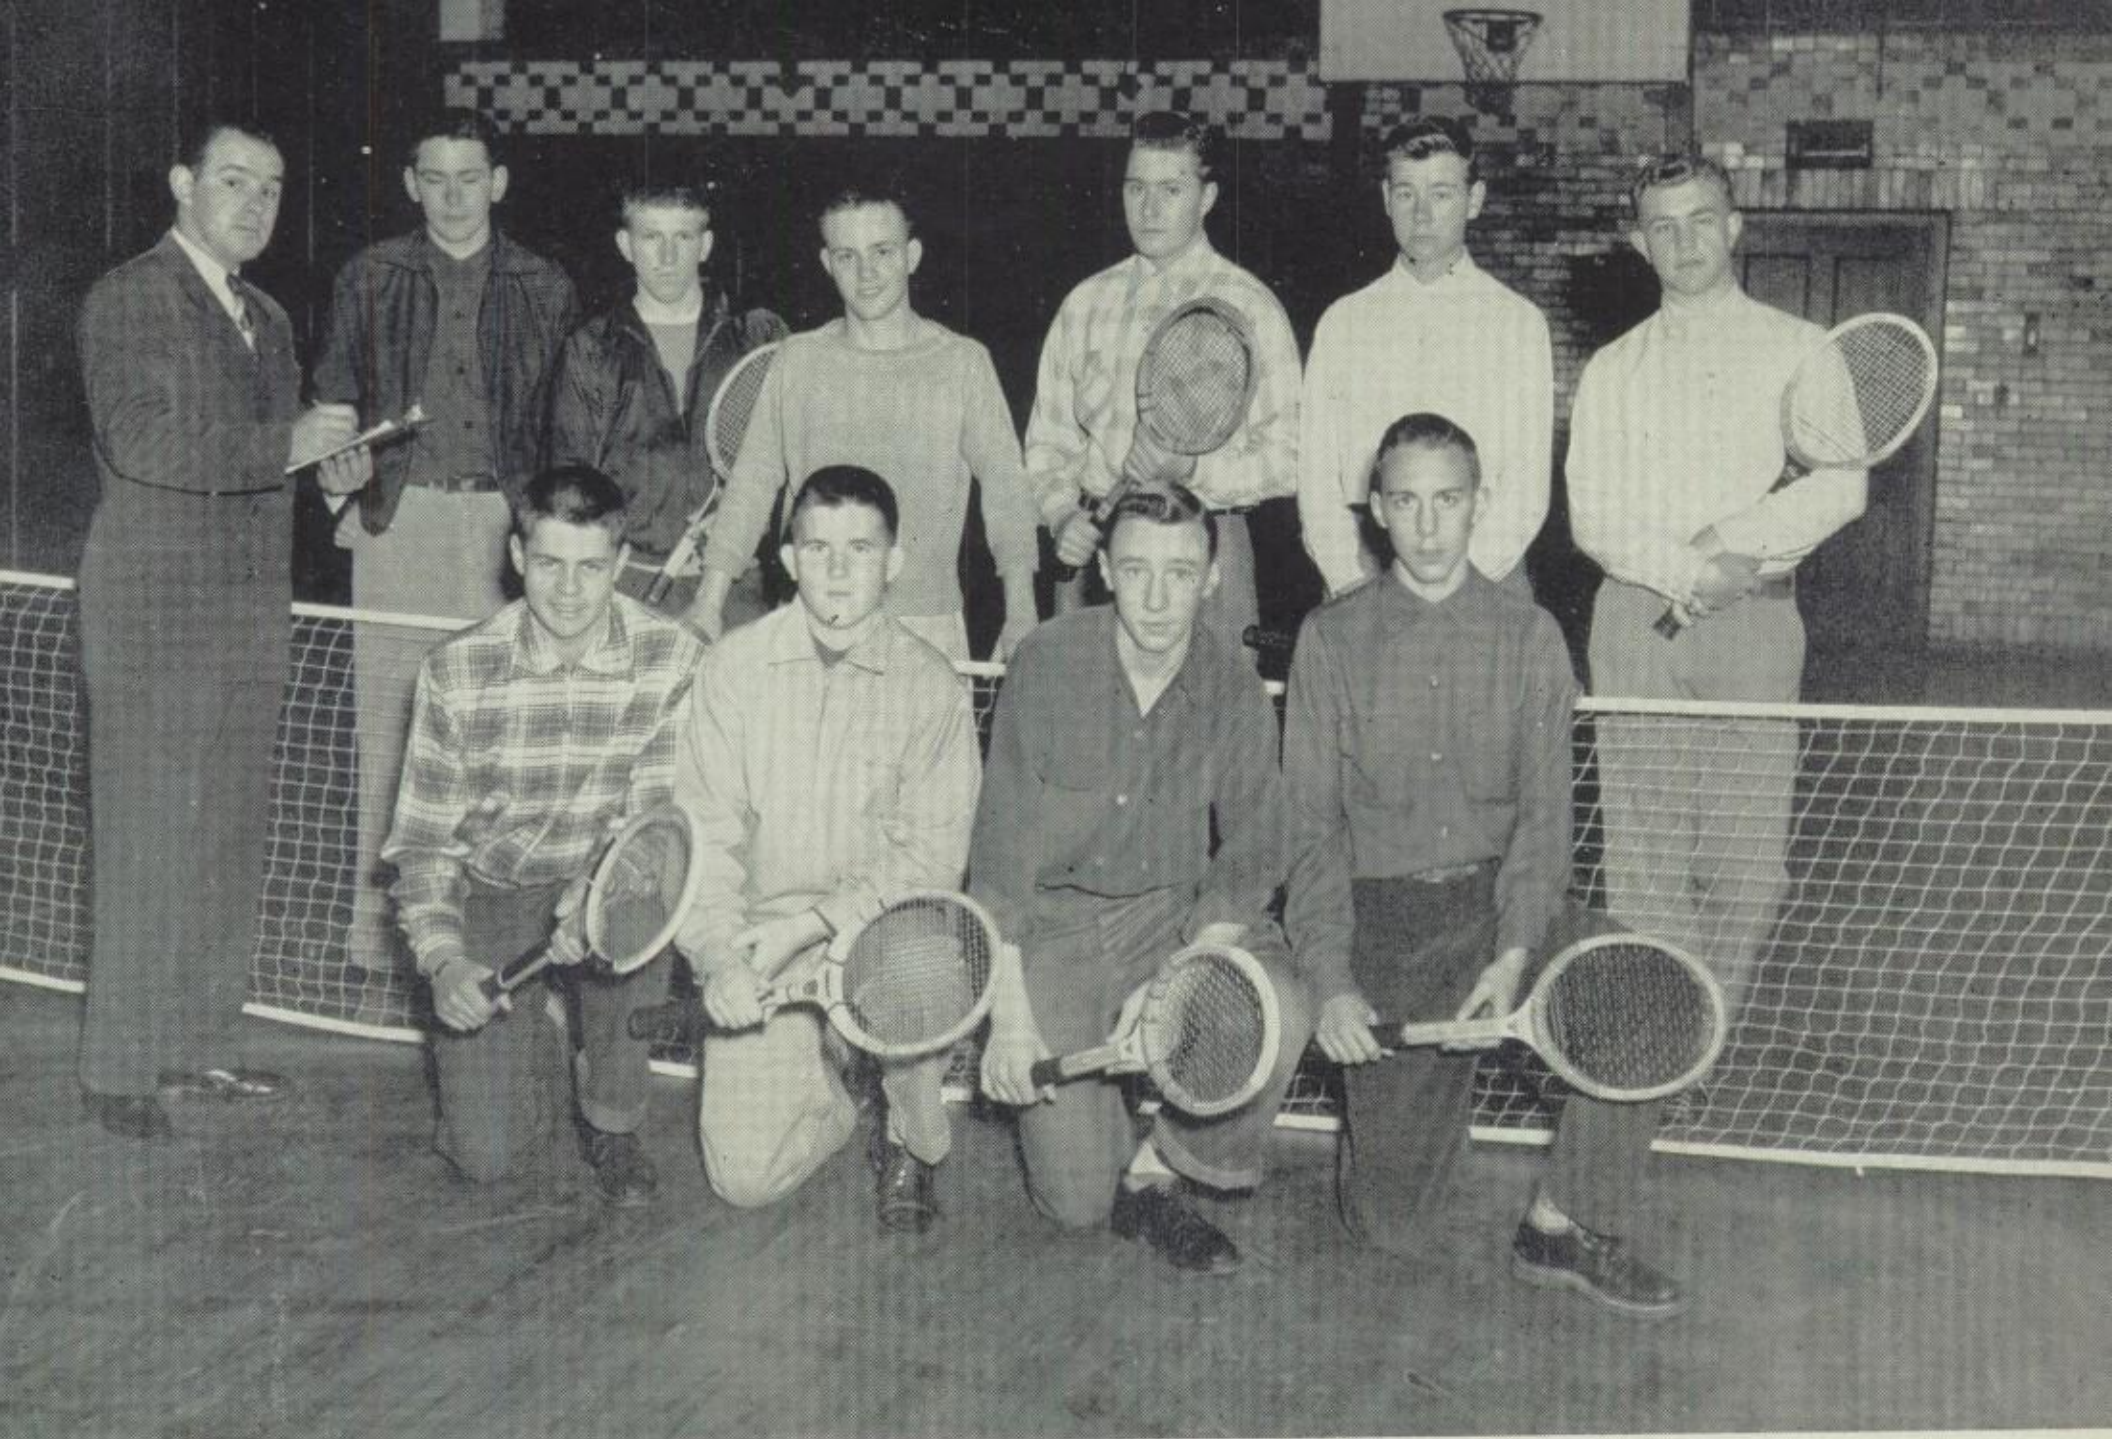

Lennon, who takes to the fairways the first time this season, has a veteran studded roster from which he can choose a starting foresome. The rest of the squad composed of talented underclassmen add the needed competition that goes into making great teams.

Tennis

Swish!!! There goes a smashing drive that goes for an ace, the dream of every tennis player, including those at Catholic Central.

Hampered by the ole' man weather and the fact that Coach Chester Thomas and the boys are unacquainted accounts for the tough business of organizing a good tennis team this year.

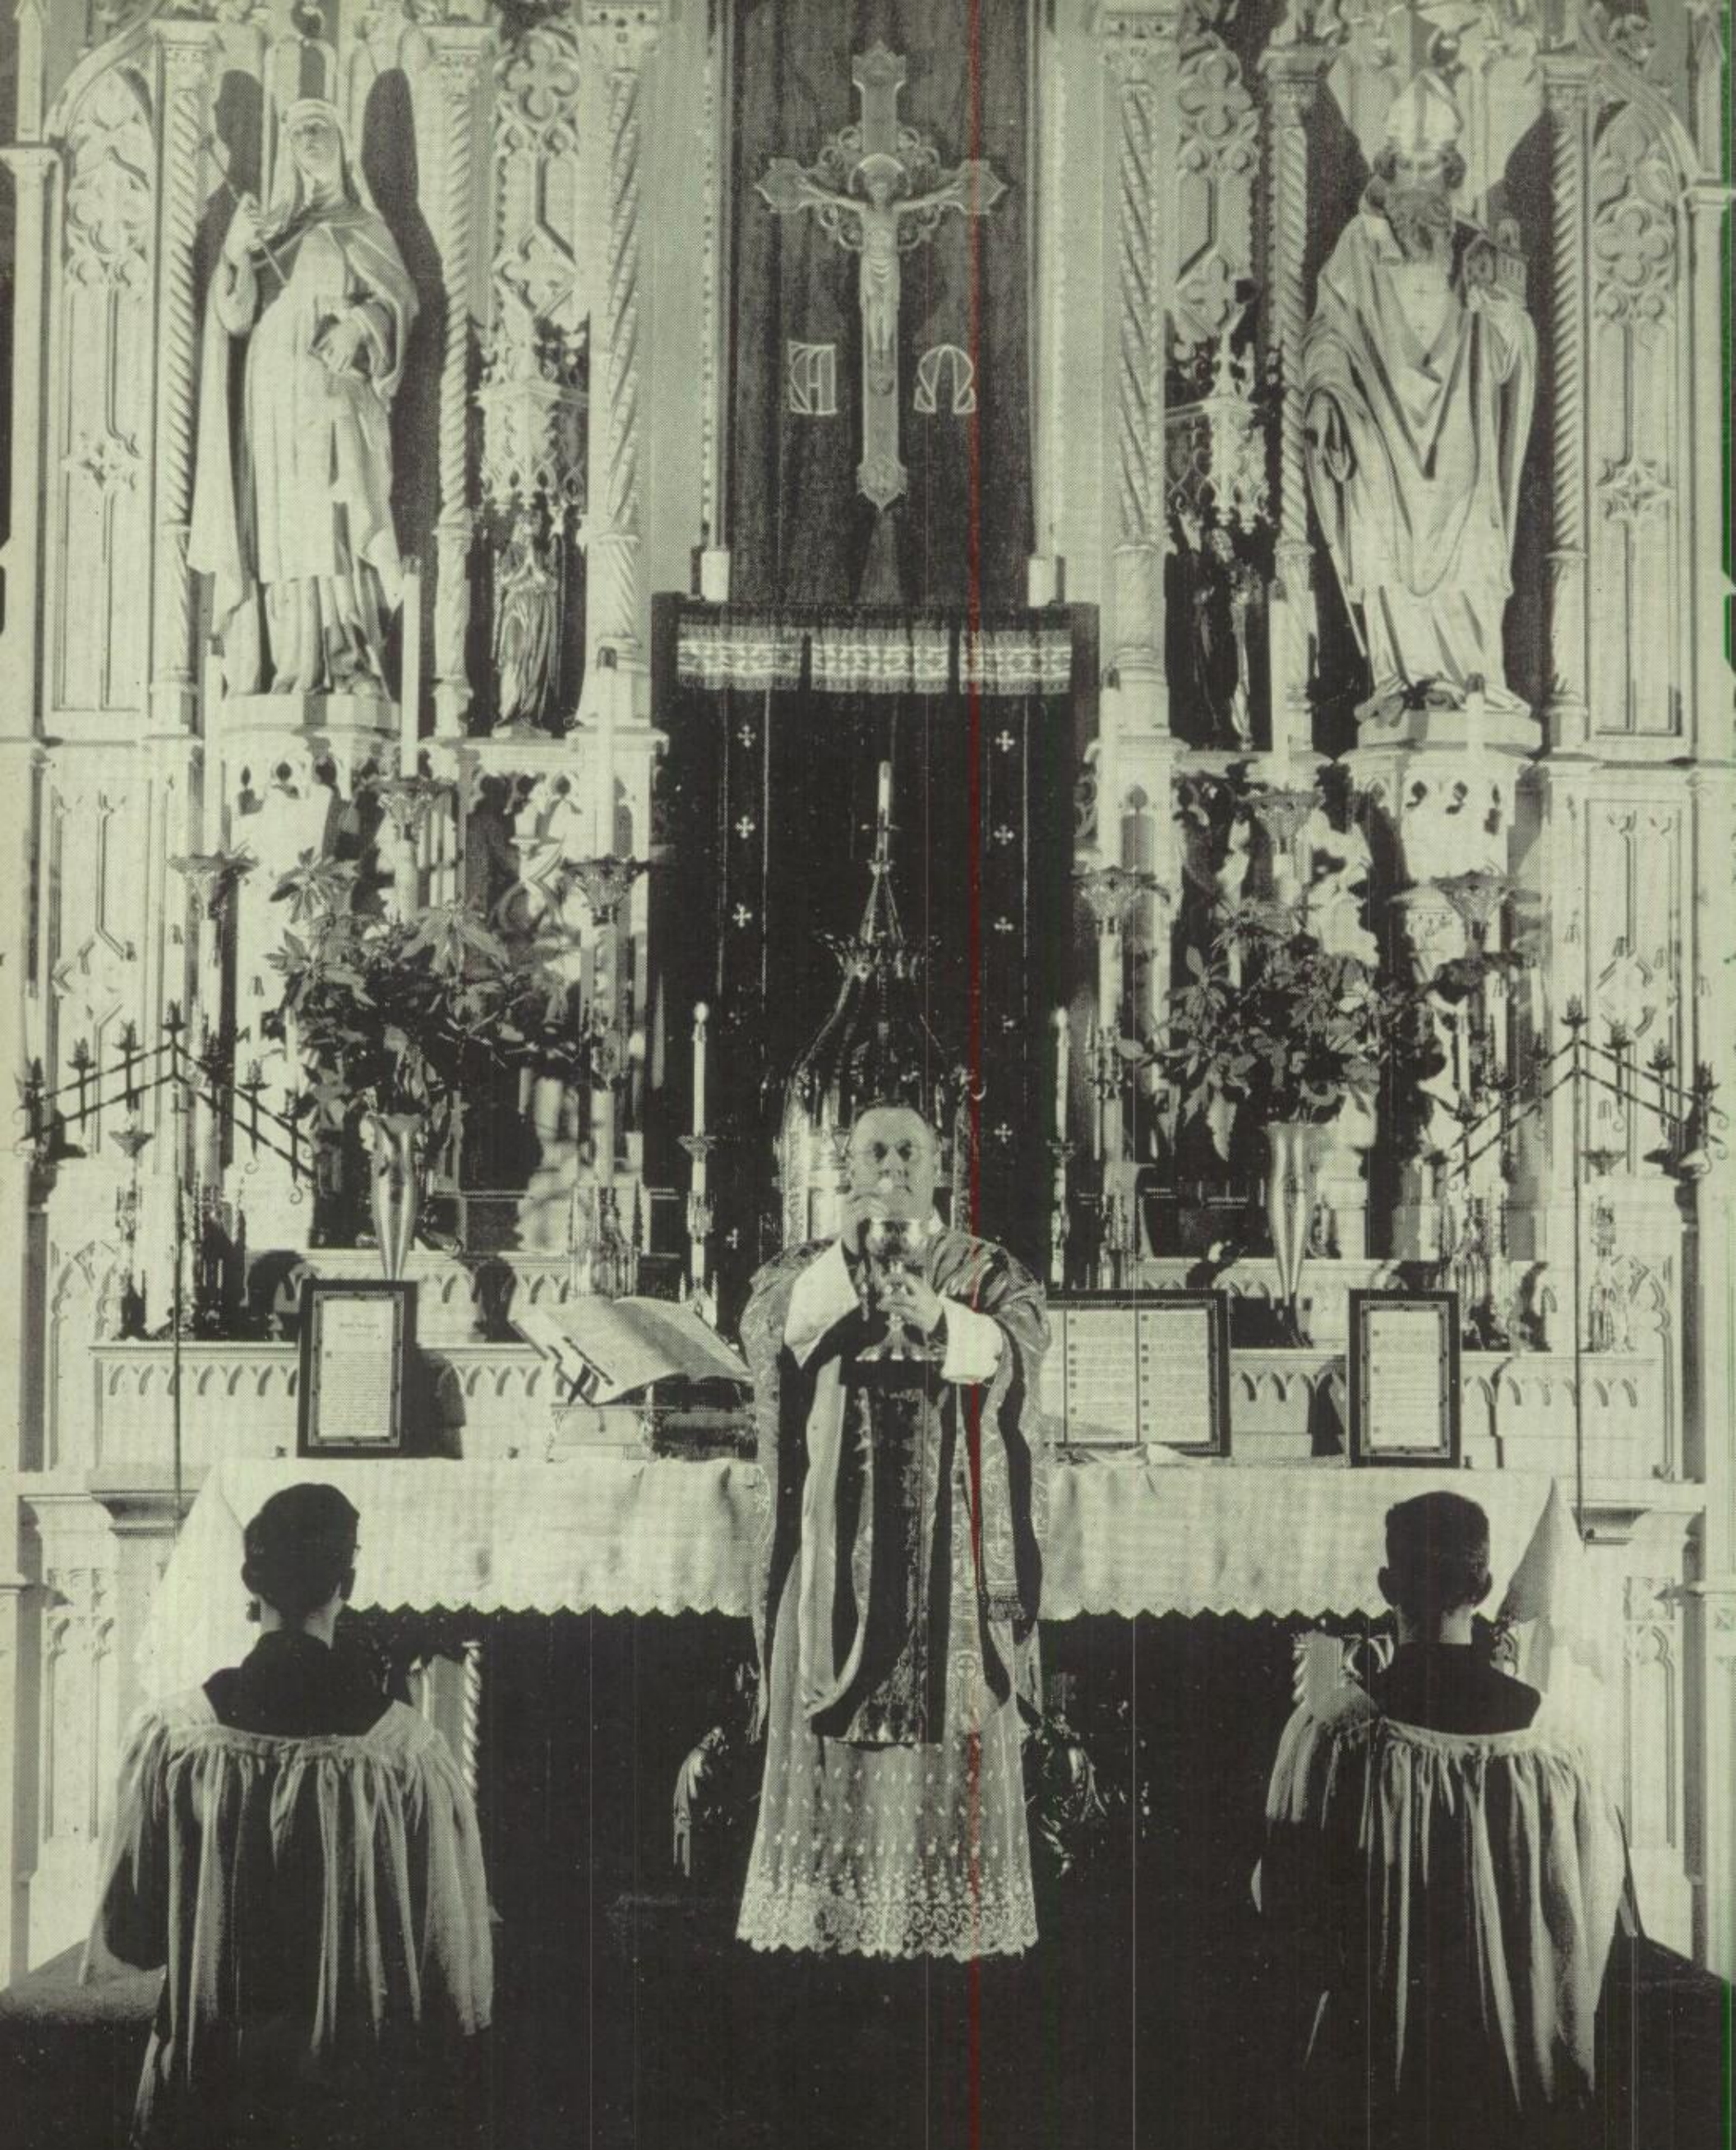

Although the team has six returning lettermen: Ed Reilly, Ray Tanis, Brian Brockway, Dick Yahnke, Hal Brey, and Jim Huff the others who show good promise are: Jerry Nye, Dick Tolley, Jack Fuller, and Ed Wright.

With these players Coach Thomas will do his best to produce a winning team.

"Who wins the victory? I will feed him with the hidden manna . . . " Apoc. 2:17

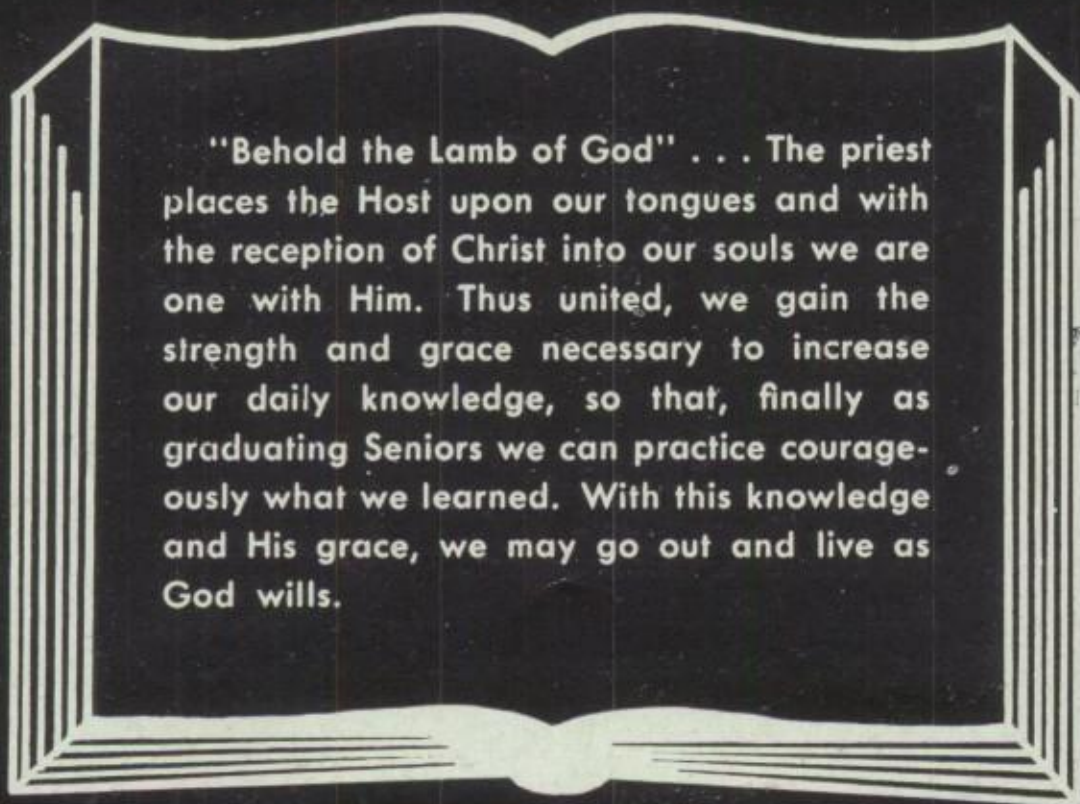

“Behold the Lamb of God...”

To Learn . . .

"Behold the Lamb of God" . . . The priest places the Host upon our tongues and with the reception of Christ into our souls we are one with Him. Thus united, we gain the strength and grace necessary to increase our daily knowledge, so that, finally as graduating Seniors we can practice courageously what we learned. With this knowledge and His grace, we may go out and live as God wills.

Class Will

We, the illustrious Senior Class, of the year of our Lord, nineteen hundred and fifty-one, being in the best of health and our usual reckless state of mind, do declare this document as our last will and testament, hereby revoking all claims to these following possessions and naming herein our legal and natural heirs.

To the FACULTY, those patient beings, we leave our sincerest sympathy upon the loss (June, 1951) of three hundred, thirty-nine outstanding pupils, and with this goes our deepest regrets that such brilliant students can never be replaced.

To the JUNIORS we leave our footsteps, with the hope that they will follow the straight and narrow path to graduation.

To the SOPHOMORES we leave our ability to study hard, hereby achieving success???

To the FRESHMEN we leave our sincerest condolences.

To the SCHOOL itself we leave our pictures to cover the cracks on the walls, our initials carved neatly in the desks, and our fingerprints displayed on most of the furniture.

The SENIOR GIRLS leave a tank full of gas and a detailed map of Greenville to any lonesome JUNIOR GIRLS.

DAVE LINACRE leaves his "left-handed monkey wrench" with a set of instructions to GERRY COOK.

DOROTHY OWENS leaves her version of "When Irish Eyes are Smiling" to MARY ELLEN DOUD, who we feel sure will be capable of following in Dottie's footsteps.

KEN VACHON (the coal bin expert) leaves his car, "Terrible Pain", to BUD DEBRI. As an extra feature, TERRY EVERHART adds his "Ugah" horn and door bell.

KAY McCARTY leaves her Trigonometry answers to MARY ANN KUTCIPAL. (For a price, of course.)

SUE SAUNDERS leaves her "I'll clue ya doll" to AUDREY DYKSTRA.

BILL MANSFIELD, who always drives his car to school, leaves a grease spot in the alley to nobody in particular.

Our fleet-footed president, JOE HOST, leaves his size nine-and-a-half track spikes to LEO BOTT with the provision that they must never be worn in a losing race.

BARB DAVIS (who was voted "most-likely-to-succeed-Hopalong Cassidy") leaves a record of her "Love Sick Blues" to an ardent admirer. (Guess who?)

MAX SCHMITT leaves a broken baseball bat to Pedro, Vice-President, in charge of sports equipment.

ADMIRAL JACKIE EMERSON leaves "The Thip thailing on the thea" to anyone possessing a box of **Mother Sill's Sea-Sick Pills**.

Free instructions on how to make a Romeo car from DON UZARSKI to anyone who wants them.

DON GUASTELLA leaves his ear to ear smile guaranteed to be as catchy as a yawn to any worrybird. It is a sure cure.

BONER, BIFF, SUGS, and SHEDS vacate the southwest corner of Maple and Sheldon to anyone who thinks they can take it away from them.

MARY VANDERWERFF leaves her ability to be dignified in class to SID DARLING.

JOE TIERNEY will gladly rent his farm to anyone interested in ice fishing.

Ambitious G. JAMES BRADY leaves his brief case to studious RICH SCHWAIGER.

JOE SALVIN, whose mother was frightened by a Empire State Building, leaves his secrets of height and a broken yard stick to ISH OLEJNICZAK.

DORLA MILLER refuses to leave little JACK DUMAS to the Junior girls.

With much tugging of our heart strings, we leave the above mentioned to the mercies of the Junior class and do hereby affix our signature to this our last will and testament as students of Catholic Central.

Flights of Fancy

Attention! Attention! 1951 CCHS coming in for a landing.

Wonder where you are? Why, it is 1961 and you're at the landing field which was built along with the new Catholic Central to accommodate the students who fly helicopters to school.

As the plane taxis across the field, two pilots are seen coming from the waiting room.

The transport door opens and the well known Marine ace, Jerry Lugthart, his array of medals glittering in the sun, steps out. He hurries toward the two pilots, whom we recognize as Luke Leonard and Karen Mulvihill. As we eavesdrop a little we hear that the class of 1951 is to have a reunion.

After spending the night at the famous "Najar Hotel", where we found the manager to be Jim Whalen and our maid to be Josie Zolinski, we started for the place of reunion.

Upon entering, we were greeted by our Master of Ceremonies, Daniel Schaner, who is now in the Theater . . . an usher in the second balcony.

Who is that singing? Could it be Pat Sheehy, who we understand is now with the Metropolitan Opera Company? (And just think she was one of our classmates.)

Next we see the city's most popular mortician, Thomas (Digger) Duffy, accompanied by Jerry Walke, who is now chief cook for the Foreign Legion. Sitting a few feet away from them, with the rest of the

clergy, we find Father Edward Riley and Sister Ann, who is the former socialite, Miss Therese Dudick.

That laugh sounds familiar. Why, of course, it is Dolores Ignasiak with her successful lawyer husband, Jim Hawley. Jim just won a very strenuous case for Mr. Van Wingen, a noted politician, who was accused by dairyman, Faro Palazzolo, of levying unfair taxes on bottled milk.

Over by the window Kate McGovern, the noted scientist, who is working on the theory that vinegar eels cause cancer is talking to Don Saganski, the new Chief of Police.

Not far from Katie and Don is Ed Rasmussen who we understand is teaching advanced courses in the art of ballet. Ed is having a heart to heart talk with "Gorgeous" Gordon Jendrasiak, the most feared wrestler of our time.

Next we see Ed Bowler, a prosperous businessman, demonstrate to Tom Conway just how he netted his material wealth. His place of business?? Chinnocks!

Returning to the plane, after we left our Alma Mater, we find waiting for us none other than Bill Howe, who with his two beauty operators, Rosemary Deederly and Marlene Grypma, is now running a beauty salon at Notre Dame. Together we board the plane thinking of all our old classmates with whom we have just renewed acquaintances. As we leave the field we realize that although members of our class are scattered all over the world, we are all still united in spirit as the immortal class of '51.

Dear Pat,
I wish you all
the luck to a swell kid

Spaceman's View

This is the scientific age, the age of television, atomic bombs and flying saucers. So in order to keep up with the times we were wondering what would happen if a flying saucer were to land and the pilots who naturally never had seen Catholic Central before, were to go through our school and inspect it. This is what they might hear or see in our school.

The Cathedral is in bad shape. It must be, because at noon there are so many people leaning against it to hold it up.

Snowballing was prevalent and was defended on the grounds that it enabled some of the weaker brethren to get even with any "big bullies". This is true, of course. Some of the girls must be all of six feet tall.

The students kept their books in brown wooden desks. The desks were provided with a round hole in the upper right hand corner of the top. This was for the disposal of waste paper.

Many students dreamed of the places that they would like to visit if they could. Some wanted to see the state of New York, others the state of Arizona. Some, however, wanted to remain in the state of confusion.

During the year a club was formed to improve the penmanship of the students. This was the Writers' Club.

As usual Catholic Central had a fine boxing team. Team colors were chosen by the students. The boys looked very nice in their black and blue.

Some of the pupils were avid coin collectors. At least some were heard to say they were fond of Old Gold.

As a whole, the students seemed to enjoy English class. However, one Freshman when asked whether he enjoyed English said, "Sure I do, I speak it every day."

When asked about History, the underclassmen said that it wasn't fair because they would have regular History plus all the history that the class of '51 would make.

The students didn't mind coming to school too much, except once when disaster occurred. All the coke machines broke down.

One of the main social events of the year was known as the Homecoming Dance. Why so called, we don't know, because most of the couples didn't come home till late.

There were various drives this year. Various rewards were offered for good, outstanding efforts. One Freshman said that he couldn't see why rewards had to be offered before people would be good. He thought everyone should be good for nothing.

In some quarters, the old practice of study hall basketball has been abolished. We know that this custom won't be missed as much as the basket was missed.

There was danger of infiltration by Stalin's agents. At least when the boys were asked where they were going, they said "to Joe's."

The Geometry classes studied squares, circles, and rectangles. To acquire skill in this science they drew them with rules and compasses. One Sophomore wondered why they needed a compass because they weren't going anywhere.

The students, ever eager to continue their higher education, brought newspapers to school and eagerly read intellectual articles if there happened to be any on the funny page.

The Seniors read Chaucer's CANTERBURY TALES, but one thing puzzled them. No one knows what kind of a berry a canterbury is.

Anything about radio waves naturally brings to mind the great inventor of radio, Marconi. One group of the boys gave Marconi a vote of thanks for his great invention spaghetti.

Most of the students didn't mind coming and going to school so much but it was what happened in between that mattered.

Having surveyed the whole school and gotten a very true to life but misinterpreted view of it, the enlightened space men took off in their rocket to return to their native planet.

Herbert Goewey, '51

"Go, the Mass is ended." For four years we have been taught to live, play, and learn. Our school days are over. Our mission in life is really beginning. We are going forth to fulfill God's will and to practice the acquired Catholic principles in our daily life. We gain the necessary strength to accomplish His Will through our offerings in the Holy Sacrifice of the Mass.

Before sealing our inkwells, we, the SPIRES Staff, sincerely extend a vote of thanks to everyone who helped make this yearbook a success and deeply wish that the theme will stand as a source of inspiration and better understanding of the Mass; and the book, a permanent reminder of a memorable year spent at Catholic Central.
